Adrenaline/MHSFCA

Community Service Reading Award

The Adrenaline/MHSFCA Community Service Reading Program is a community service project in which high school student athletes are matched-up with elementary teachers and their students. The high school football players sit-in on the elementary classroom one class period per week, (at least during the football season) and read to the students. Adrenaline has pledged to fund the Community Service Reading Award and provide us with two $500 dollar grants for award winning programs. The grants, to the elementary schools that participated in the reading programs, are for the purchase of library books.
