There are football camps. Then there are Semper Fidelis All-American Camps. Where NFL coaches impart wisdom, United States Marines instill discipline, and you will be pushed mentally and physically farther than you ever have before. At the end of the day, you will leave a better football player and a better you. **There is no cost involved.**

Only your commitment to take your skills and character to the next level is necessary. Work hard enough and you could be selected to play in the Semper Fidelis All-American Bowl.

If you're in 9th, 10th or 11th grade right now, sign up now to discover how the Marine Corps values of honor, courage and commitment translate from the battlefield to the football field.
