I am interested in becoming more active in the association and taking a form of leadership in my region. I have studied the duties that were illustrated in the newsletter and I believe I can accomplish all that is as from a Regional Director. In addition, I have been a member for 5 years now and I have enjoyed attending the recruiting fairs and being a speaker at our coaches' clinic for two consecutive years. I am currently scheduled to speak again this year at our coaches' clinic and assisted Coach Jerry Rabideau (Clinic Chairperson) in recruiting interesting speakers.

I love what our association stands for but most importantly, I am a young and coach, and I have a lot of energy and passion that I believe could be put to good use by the MHSFCA.
