

Michigan High School Football Coaches Association

2013 College Recruiting Nights

Coach,

College Recruiting Nights provide opportunities for you to network with college coaches and to open opportunities for your student-athletes to continue their education and athletic career. Some of the opportunities you uncover at the Recruiting Night will be programs at schools that neither you nor your athlete had previously considered!

We invite you and/or a member of your coaching staff to attend one or more of our re-organized Recruiting Nights in locations across the lower peninsula during the first two weeks of December. As in the past, the night's agenda will start with a two-hour block in which you will have access to college coaches from Michigan and around the midwest. *Food will be provided during this time (usually pizza). The host high schools will provide a table for you to meet with and exchange materials and information with college coaches. *Bring player profiles with you!

Immediately following the two-hour block with the college coaches, we will admit your senior student-athletes and their parents to the area and they and you will have the opportunity to meet the college coaches. *This is a change prompted by feedback from past recruiting events.

There is no charge for you or your athletes to attend the Recruiting Night event/s. This is a benefit of your membership in the MHSFCA. If you are not a current member, please complete the online form at MHSFCA.com. *Or come prepared to complete the form at the Recruiting Night.

Recruiting Night Schedule

5:00-7:00 High School Coaches meet with College Coaches
7:00- Student-Athletes and parents meet with College Coaches

Registration

Due 27 November. Please check each Recruiting Night that your program will attend.
