

2015 MHSFCA – Honorary Members

1) Denny Keith

Denny is an absolute lifesaver for the Muskegon Orchard View Football program. He has been the equipment manager since 1981 and has never missed a game. He knows all the logistics for every home and away game and takes care of all game day prep. He does all the equipment inventory, water for practice, laundry and too many other things to list. We at Muskegon Orchard View have been truly blessed to have a man such as Denny give so much to our community.

2) Doug Morgan

For the past 20 years seasons, Doug has done all of Linden High Schools scouting for opponents, film breakdown and has attended all of our football coaches meetings. Doug spends countless hours beyond demand working for the Linden High School football program and this has been a big blessing to the Head Football Coach Dennis Hopkins. Doug is a Vietnam Veteran and a recipient of the Purple Heart.

3) Pat Threet

Pat has been actively involved in high school athletics since 1991. Pat got involved with the athletic programs and booster clubs when his children started high school. Pat has given endless hours serving the booster club and has devoted months directing and building sets for the senior all night party. Pat was the leading force in the planning and installation of new lights for the football field as well being responsible for securing a golf cart for making improvements to the baseball and softball fields. Pat is currently the director of equipment management for Fraser High School.

4) David Phillips

David Phillips has been on the chain gang at Ida Varsity Football games for the past 44 years. David began working the chains at Ida high school in the fall of 1971 when he returned from his time in the service for his country. Prior to that date, Dave and his father worked the chains 15 years. Dave's son and grandson have joined him on the crew and to date Mr. Phillips and his family has volunteered this service to the school and has never received compensation nor have they ever asked for compensation. Instead they have dedication, hard work, and loyalty to the Ida Community.
