2019 Winners Circle Clinic Update

Greetings Coaches,

Congratulations to all for another season in the record books. The finals are over, the holidays are near and each of you deserve some nice time off. Well, not so fast, you need to gear up for Clinic in Lansing.

Here are some updates since the last issue:

- Noel Dean has orchestrated a live demo session which will be held in Exhibit A. There will be 3 separate sessions held. Each session will be spearheaded by different coaches from around our state focusing on drills and skills for all to use no matter your offense or defense. Emphasis will be on safety. Athletes will be outfitted in full Addix gear and Rodgers will be supplying all necessary sleds for the drills.
- REGISTRATION is now located just outside the entrance doors of Exhibit A in the main concourse.

2018 DETROIT LIONS/FARM BUREAU INSURANCE OF MICHIGAN HIGH SCHOOL FOOTBALL COACH OF THE YEAR

courtesy of Detroit Lions Football Education / Coach of the Year

Detroit, MI—Rick Bailey of Reading High School has been selected as the 2018 Detroit Lions/Farm Bureau Insurance of Michigan High School Football Coach of the Year. Bailey led his Rangers to a 39-20 victory over Breckenridge on November 23 to win the Division 8 Michigan High School Football State Championship. Reading is the smallest school in the Big "8" Conference with 244 students.

The Rangers finished with a 14-0 record, outscoring their opponents 678-114. Reading defeated defending Division 8 state champion Ottawa Lake Whiteford 28-6 in the district finals on their path to the state championship at Ford Field. This is Reading's first Michigan Football State Championship in school history.

Bailey has just concluded his 37th year as a football coach and 31st season as head coach at Reading. He spent two years as a JV assistant at Adrian High School followed by four years as a JV assistant at Reading. Bailey's teams have won six conference titles, three regional titles, and two district titles while sporting a career record of 210-105 (66.7%). In 2014, Bailey was elected to the Michigan High School Football Coaches Association Hall of Fame.

In addition to being the long-time Varsity Football Coach, Bailey led the Reading Varsity Baseball team for 21 years, winning the MHSAA Division 4 Baseball State Championship in 2007 and compiling a career record of 411-154. Bailey was also inducted into the Michigan High School Baseball Coaches Association Hall of Fame in 2014.

Each week throughout the nine-week high school football regular season and at the conclusion of the Michigan High School Football State Championships, one coach that best demonstrates success on and off the field, develops players' character, discipline, and football skill in addition to emphasizing player health and safety in their program, will be recognized for his commitment to the team, school, and community. The winner is selected by a panel of high school football media members—Mick McCabe (Detroit Free Press), Hugh Bernreuter (Saginaw News), Bret Bakita (WOOD Radio-106.9 FM, ESPN 96.1 FM-Fox 17/Grand Rapids), James Cook (Traverse City Record-Eagle) and Scott DeCamp (MLive-Muskegon Chronicle). Bailey was selected as Coach of the Year by the votes of the aforementioned media members, as well

as one vote from the public online voting at DetroitLions.com/coachoftheyear.

This season's program will award \$22,000 to aid the development and promotion of high school football in the state of Michigan, thanks to contributions from the Detroit Lions, the NFL Foundation, presenting partner, Farm Bureau Insurance of Michigan and associate partner, Gatorade.

Each winning coach during the regular season received a \$2,000 donation to his school's football program and a Gatorade performance package. Weekly winners are honored in a halftime ceremony during the Detroit Lions-Los Angeles Rams game on December 2. During the ceremony, the Lions will also recognize Bailey as the High School Football Coach of the Year. Bailey will receive a \$4,000 donation to his school's football program, the Gatorade performance package and will be honored as the Detroit Lions nominee for the Don Shula NFL High School Football Coach of the Year. Bailey will be invited to the NFL Pro Bowl in Orlando, FL, January 26-28, 2019 where the winner of the Don Shula NFL High School Football Coach of the Year will be announced.

Concluding its' 22nd year, the Detroit Lions High School Coach of the Week/Year program has awarded \$433,000 to high school football programs throughout the state of Michigan.

PRACTICE LIKE PROS VIDEO CLINIC WELL RECEIVED IN TRAVERSE CITY

Instant Meeting of Minds in Michigan

The Practice Like Pros video clinic was received with unprecedented fervor Friday in Traverse City, MI, by the Board of Directors of the Michigan High School Football Coaches Association (MHSFCA).

As the meeting began, Michigan was one of the more permissive Midwestern states, allowing 15 days of full contact in pre-season, four full-contact scrimmages and 90 minutes of full contact per week in regular season.

The PLP presentation to coaches' associations and state governing bodies is generally followed by weeks/months of deliberation. But Friday, when PLP founder Terry O'Neil finished, MHSFCA executive director Larry Merx took the floor and said to his Board: "Gentlemen, you've heard the proposal. We all know the issues. This is our opportunity."

Within seconds, all 55 Board members raised their hands in unanimous support of the standard PLP recommendation for high school football practice:

- no full contact in spring/summer,
- 6 hours total in pre-season, including scrimmage(s),
- 15 minutes per week in regular- and post-season.

The MHSFCA thereby became the third statewide association of coaches, following New Jersey and Connecticut, to refer this type of proposal to its governing body for adoption.

The group also invited O'Neil to make two presentations to its full membership -- more than 2000 coaches -- at the annual MHSFCA Clinic, January 17-18 in Lansing.

"We've never had the concept approved bam!, on the spot, in the meeting room," said O'Neil afterward. "God bless these guys, they know what's needed in high school football and they weren't afraid to act."

High school football participation in Michigan has declined by 8,203 players over the past eight years, leaving

the state with fewer than 35,000 players. Board member Jerry Rabideau, highly successful coach of Spring Lake High School, said, "We've been talking for a few years about player safety and declining participation. We've been looking for the correct step to take, and this is it."

Most Injuries Still Occur in Practice

Despite years of safety awareness campaigns from various advocates, most high school football head injuries still occur in practice, not in games, according to the latest research.

Scientists from the University of Texas Southwestern Medical Center in Dallas and Wake Forest University School of Biomedical Engineering last week released their findings at the Radiological Society of North America (RSNA) annual meeting in Chicago.

Cohort for the study was a group of 60 high school football players. Principal investigator Gowtham Murugesan reported, "Most of the head impacts occurred during practice."

Coach-toCoach Mentoring Program

Ever had a question about how to do your job as a coach and not know where to turn for an answer? Need the name of an experienced coach who you could talk to in confidence about answering that question - or solving that problem?

The MHSFCA has a mentoring program that you can turn to for this kind of help. Called Coach-To-Coach, that is exactly what it is. Experienced coaches who have a long standing relationship with the MHSFCA (Past Presidents, Regional Directors, Committee Members, etc.) have agreed to have their names and contact information listed at MHSFCA.com as volunteer mentors.

If you have something you need help with, look over the list, contact one (or more) of the Coach-To-Coach volunteers. Each of the volunteers has several years of coaching experience. Get their advice. It's free and confidential.
