

Lorin Granger

I am currently the head coach at Battle Creek Central and have been for the last 4 years. Prior to that I served as defensive coordinator for BCC. I have been a high school coach for 15 years and have been part of the MHSFCA clinic committee most of that time, currently in charge of setting up speakers for the clinic. I enjoy working with the association as it allows me the ability to promote our sport and work together with coaches from around the state to make sure we are doing the best we can for our student-athletes.
