SERVING MICHIGAN'S COACHES

December 1993

Ethics Committee Activities

by Denny Patzer, Vicksburg

The 1993 football season is now complete. The list of possible ethics violations submitted to the committee was very small. Presently (Dec 3), the association is looking into a report of illegal filming of a regular season game.

The majority of conversations held by committee members with coaches from across the state involved violations of the "7 - man rule" and coaches not being able to coach at summer passing camps. This subject is currently on the May agenda of the MHSAA's Representative Council. Many of our football concerns will be addressed with the passage of these proposals.

It is imperative that football coaches meet with their school administrators to encourage them to voice support for the proposals by contacting the Representative Council member in your region.

It is imperative that football coaches meet with their school administrators to encourage them to voice support for the proposals by contacting the Representative Council member in your region.

"Off Season Participation" Proposals

Following are excerpts of the proposals that were presented by MHSAA Executive Director, Mr. Jack Roberts, to the MHSFCA Board of Directors at their Fall Meeting in Clare on December 1. As a result of the subsequent discussion, Mr. Roberts promised a revision of the proposals in order to clarify some of the points by January 15, 1994.

These excerpts may be somewhat confusing. They are presented here to give you an idea of what was discussed. The final proposals should, however, resemble what you see here and what the Representative Council of the MHSAA will consider in May. REMEMBER, THEY ARE NOT IN FINAL FORM!

Over the past years several of Michigan's best coaches have sent materials for the Newsletter. We encourage you to join that group.

Late October Edition!

The late November delivery of the October Newsletter was due to two factors:

1. The finalization of speakers and coordination of the Winners Circle and Toyota/Duffy Daugherty Clinics
2. The Post Office's procedures for delivering bulk mail. Some people received their Newsletter in early November. Others (myself included [ED.]) got theirs after the mid-Novembers deadline for several applications.

We sincerely apologize for the inconvenience.

About the Seven Man Limitation,

In response to a letter from Pete Coll, MHSFCA Rules Committee Chair, Mr. Jack Roberts, Executive Director MHSAA had this to say:

"It is our (MHSAA) interpretation that the seven-player limitation precludes the possibility of a coach attending a football camp with more than seven students in grades 7 through 12 in a school where he coaches. Just as it is a violation during the school year for a basketball coach to work with three players at one end of the court while a fourth or fifth player is engaged at the other end of the court, it is a violation during the summer for a football coach to work with seven players at one end of a field while an eighth or ninth student is at the other end. A violation occurs whenever the campers are collected in one place for demonstration clinics."

Experience teaches that it is virtually impossible to avoid violations in the summer camp setting if more than seven students attend a camp where their coach is in attendance in a coaching capacity."

MHSFCA Membership Open to All

Membership in the MHSFCA is not limited to football coaches. Membership in the Association conveys several advantages including the right to nominate: All Star Players, Hall of Fame Membership, Academic All State, Assistant Coach of the Year Awards, Honorary Membership, the ability to counsel timely Scholarship Award applications, and special rates on Lions and Tigers tickets.

We whole heartedly encourage all members of the high school community to become members of the MHSFCA and to take full advantage of their membership rights.

An application form for MHSFCA Membership appears on the back page of this Newsletter. It, or a facsimile, will ensure your receiving the MHSFCA Newsletter (published four times a year) and immediate access to all rights and privileges of that Membership.

"Out-of-Season Competition" Proposals

Continued from page 1

MHSAA Director, Mr. Jack Roberts, spent a good share of the afternoon at the Fall Meeting of the MHSFCA Board of Directors explaining the "Out-of-Season Competition" proposals, excerpts of which appear below.

REMEMBER THESE PROPOSALS ARE NOT IN FINAL FORM!

They are to be revised before presentation to the Representative Council of the MHSAA.

Proposals Hold Potential for Long Sought Equality!

Proposal A That the "3 player rule" limiting coaches to working with 3 students in grades 7-12 outside the MHSAA season during the school year, be in effect on August 1 be adopted in May, 1994 and take effect on August 1, 1995.

Proposal B That the number of days of competition during the summer for players and their coaches (when the number of players involved is more than 3 or 50% of the team) be limited to 15 days of organized competition be adopted in May, 1994 and take effect with the summer of 1995.

*Note: This would allow coaches to actively coach in 7-on-7 passing leagues for up to 15 days in the summer prior to August 1.

Proposal C That if A and B are adopted, then Proposal C also be adopted in May, 1994, to take effect immediately. Proposal C: That football coaches be allowed to participate in bona fide summer football skills camps where more than 7 students from their school district in grades 7-12 are participating, but that they may not work with more than 7 from their district at any one time. ("Bona fide camps would be sponsored by institutions or business enterprises, including: colleges, individual schools or intermediate school districts, community school programs, etc. The camps must be open to students from any school district, and would be subject to equipment limitations of shoes and helmets.")

*Note: The contacts that would occur at individual football skills camps would not count toward the limit of 15 days, even if there were 7 or more students from the same school in attendance.

"It is imperative that football coaches meet with their school administrators to encourage them to voice support for the proposals by contacting the Representative Council member in their region." Denny Patzer

Jack Roberts explains his response to a question from the floor to Regional Directors, Bob Kefgen and Chuck Apap.

Terry Rose Scholarship Applications Inserted in THIS NEWSLETTER!

If you have a son or daughter graduating from high school or currently enrolled in higher education be sure to complete this application form. All members of MHSFCA are eligible to nominate their children. The winner is chosen by lottery at the Hall of Fame Banquet, March 27, 1993.

Letters

From All Star Coach

Thank you for the honor of being selected to coach in the East-West All Star Football Game. I certainly appreciated the opportunity to work with several outstanding individuals and coaches. Thank you for allowing my son, Joel, to be involved with this game also [equipment manager]. Also thank you for all the coaching gear and clothes you provided.

Sincerely,
Joe Sanderson

From All Star Announcer

Thank you for your advice, direction and kindness. I enjoyed immensely the PA announcing at the high school All Star Football Game and because of people like you [Don Lessner], my job was much easier. The day will be cherished forever.

My view of the playing field from the press box was awesome and I am thankful for the opportunity. I will volunteer to assist next year's choice as I understand the PA man gets the chance once, so my volunteering for the job again would be for naught. If I can help next year with the PA or in any capacity call on me. I'd like to help and be involved.

Sincere thanks,
Tim Haskin

The time has come again to get your students' scholarship applications in for consideration for the 1993 MHSFCA scholarships. Scholarship Applications are included in this, December MHSFCA Newsletter. This is the Association's opportunity to showcase the best the State of Michigan has

to offer. Get involved and nominate one of your students today.

\$500 scholarships will be awarded to the ten best qualified nominees. Applications are ranked according to: 1. G.P.A.; 2. ACT scores; 3. Evidence of leadership ability; 4. Citizenship; 6. Service.

Candidates must be students involved in the football program and be

citizens of the United States. The coach must be a member of the MHSFCA to nominate a candidate. ONLY ONE nominee per school can be accepted. Applications must be submitted by March 1, 1993.

Please take the time to help your student. Encourage him/her to follow all the special details found on the application.

Hall of Fame

Attention Nominees!

The Hall of Fame Committee is doing everything possible to induct the coaches most worthy of membership. In order to do this we need your help in keeping your credentials up to date.

There are over 149 applications for Hall of Fame Membership at the current time... many of those coaches have retired, but the majority of those applications pending are for coaches who are still actively coaching.

Within the next few weeks pending applicants WHO HAVE NOT UPDATED THEIR RECORDS IN 1993

should receive a form for updating their credentials. All of the information asked for is important to ensuring your consideration for membership. Please be as accurate as possible in completing the form.

If you still have a copy of the original application, feel free to update it now and send it in prior to receiving the new form.

If your address has changed... you probably won't get the letter or the form... Get address changes to the Committee as soon as possible!

Direct all Hall of Fame Correspondence to:

1994 All Star Game Important Meeting for Coaches of '94 All Star Players

Concession Area
Winners' Circle Clinic
After Last Speaker
Friday, January 28

The All Star Souvenir Program has become a tremendous forum for the expression of community and school pride for your players and for your football program.

If you have a player chosen to play in the 1994 All Star Game it is important that you understand the process involved in putting the program together.

If you haven't had an All Star player recently - please be sure to attend a brief All Star Program orientation/question-answer session in the concession area (under the central seating) at the Battle Creek Winners Circle Clinic after the last speaker Friday, January 28.

Nominations 100 and/or 20 (100 career Wins and/or 20 Years in Michigan High School Coaching!)

If you are aware of deserving Michigan High School Football Coaches who meet one of these two criteria and are not yet members of the MHSFCA Hall of Fame - Nominate them! Don't assume someone else has taken the initiative!

To nominate a coach for membership in the Hall of Fame a letter is required. It must be received by Jack Carlson, MHSFCA Historian, before November 15 so that the nomination can be considered at the November '93 meeting of the Board of Directors.

MHSFCA Hall of Fame Members

Help! Undoubtedly some of the current members of the MHSFCA Hall of Fame will not receive the information (referred to on the facing page, p 8) from the Hall of Fame Committee. IF YOU KNOW that a Hall of Fame member has changed his address please pass on the Committee's request for information - to him, or to a family member or contact Jack Carlson.

MHSFCA Placement Service

*By Bruce Bendix, Comstock
Placement Chair*

The MHSFCA sponsors a placement service for its members and football sponsoring schools. A placement bulletin is mailed to all interested coaches from January until June each year (see form on inside back page of Newsletter).

It is, however, a two-way street. If you know of coaching and/or teaching openings in your school or area, please let us know (use second form on inside back page of Newsletter).

We are particularly interested in coaching/teaching positions, as most of our Bulletin subscribers are interested in dual openings rather than "coaching only" vacancies.

From the MHSCA's Executive Vice President, Jack Johnson
