

RECORD ATTENDANCE EXPECTED at Third Annual Hall of Fame Banquet Duffy Daugherty Featured Speaker

The Third Annual M.H.S.F.C.A. Banquet to be held at Crisler Arena, April 20, 1985 will feature Hugh "Duffy" Daugherty as the speaker. Duffy is a football legend not only at Michigan State University, but throughout the United States. With his Irish wit, and good humor, he joins our impressive array; of banquet speakers. Woody Las and Ara Parseghian were the speakers for our previous banquets with Bo Schembechler making the introductions. All of these men are legends in their own time, and have helped us make this banquet a first class affair, which our association takes great pride in hosting.

The banquet will be held in conjunction with the University of Michigan Football Clinic and the spring meeting of the M.H.S.F.C.A. Board of Directors. Thirty outstanding Michigan High School Football coaches many of them personal friends of "Duffy" and "Bo" will be inducted into the Hall of Fame before what is expected to be a maximum crowd. It will be another great night for Michigan High School Football.

1984 All Star Teams Selected

by TOM MOSHIMER

The Fifth M.H.S.F.C.A. All Star Football Game will be played on Saturday, August 3, 1985. Once again the game, which is becoming more popular each year, will be played at Michigan State University's Spartan Stadium.

The purpose of the All Star Game is to promote High School Football in the State of Michigan. The game's revenue is donated to the Associations Scholarship Fund and other charitable organizations.

Again this year the All Star Committee worked under the rule limiting participation in the game to one player per High School. This affords the widest possible representation: eighty players from eighty communities. Of course this gives eighty football programs the chance to show off their best products!

Attendance at the All Star Game has been enjoyable for all who've been there in the past. It's a good opportunity to swap tales just prior to digging into our own programs. It's also a good opportunity to visit with your acquaintances from Michigans colleges who are very well represented at the game.

The All Star Committee has spent considerable effort this winter to ensure the financial success of the game and to provide for the best possible publicity for the game. We're convinced that this will be the biggest and best game yet and that Michigan High School Football will once again have produced a first class event for our athletes.

Make your plans now to attend! Watch for the All Star Rosters in the May Newsletter.

M.H.S.F.C.A. CLINIC HIGHLIGHTS — 1985

1985 MHSFCA Coaches of The Year. From left to right: John Blankenship, Houghton Lake; Dan Armstrong, Gobles; Joe Eufinger, Flint Central; Jack VerDuin, Wyoming Park. Congratulations to a great group of coaches.

It was great to hear from Tom Saylor, the past head coach from Hudson High School. We all have fond memories of that unbelievable winning streak!

John Kibble, from U. of M., gives a first hand demonstration of taping the ankle. This kind of small group orientation helped to make this year's clinic the best ever.

Ralph Mosiejenko, MSU's outstanding punter is about to launch a demonstration missile. When Ralph punts opponents usually start yelling, "INCOMING!"

"Bo" Schembechler has always been a great supporter of high school football. He is especially vocal for the continued support of high school football in this state. Bo is greeted here by loyal high school coaches.

Outgoing President, Arnie Besonen, presents new president, Dick Look with the MHSFCA gavel.

From the Past President . . .

ARNIE BESONEN

As the outgoing president of the M.H.S.F.C.A. I would like to take this time to thank everyone for their loyal support and hard work. These were the things that made this past year a huge success for our association. We have made progress toward extending the number of teams qualifying for the playoffs. That expansion is now in the hands of the Representative Council which has authority to determine the fate of the playoffs. Our Annual Clinic at Battle Creek was another great success thanks to the hard work of Dan Lauer and his committee, and to great numbers of you, our membership, for braving the wintery conditions. The annual All Star Game again provided one of our top attractions. The All Star Committee is currently working to improve the financial status as well as working to improve the game itself. My best wishes go to our new president, Dick Look, and to his staff of officers.

Serving as your president over the past year has been one of the most enjoyable tasks I've ever had the privilege to perform. Best of luck to you all.

From the President . . .

DICK LOOK

The M.H.S.F.C.A. has matured from a dozen coaches with an idea to a state-wide organization consisting of more than 1,100 member coaches.

As your president, I will continue to promote the game of high school football. Presently there are over 600 high schools in the state of Michigan that play football. We work with over 48,000 young athletes, this is more than participate in any other sport in Michigan. As coaches we are part of an excellent tradition and should work diligently to promote and uphold the fine standards established by our predecessors.

During the next year we should continue our work to improve the playoff system. Promotion of the All Star Game, now entering its fifth year, should also be a major priority. Our ever growing Hall of Fame is in need of financial assistance. How many of you have visited the Hall of Fame at the University of Michigan? It is a fine tribute to the history of Michigan High School Football. For \$100 your school's name will appear as a life-member of the Hall of Fame on a wall map of the state on exhibit in the Hall. Why not solicit your booster club for this recognition for your school! Contact a Regional Director, Officer, or Tom Fagan if you are interested. Our goal is to have every school that is playing football represented on this map.

We have scholarships for your athletes, awards for Regional and State Coaches of the Year, Honorary Memberships for supporters of football, and the finest high school coaches clinic in the state.

SPEAK UP FOR FOOTBALL! Give the good things in football a plug. Support your organization. Recruit a new member!

Exhibitors ran the gamut of football equipment needs.

Joe Eufinger, Class A Coach of The Year, is presented with his award by John Herrington.

Harley Pierce stands up to receive the Jim Crowley Memorial Award at the MHSFCA Luncheon Banquet. Harley has done an outstanding job for our association as well as with the youth that he coaches. Harley is a past president and is currently spending hours of time as our historian. Thank you Harley for your dedication!

Doug Frazier, Lake Orion, addresses the Fellowship of Christian Athletes at their traditional Saturday morning breakfast. The FCA has been an important part of many athletes and coaches lives, as well as an important addition to our clinic.

Protective gear abounds! Many exhibitors carried the latest football equipment, giving our coaches the opportunity to see what is new.

A coach tries on a jacket for that upcoming '85 Season.

the 1985 Annual Luncheon Banquet closed the clinic until the following January. It was an impressive banquet that featured presentations to our new Lifetime Honorary Members, the Coaches of The Year, scholarship winners, and the announcing of our new regional directors.
