SERVING MICHIGAN'S COACHES

March, 1988

1988  
Jim Crowley  
Award  
Presented to

**Elmer  
Engle**

Bay City's Elmer Engle became the seventh recipient of the MHSFCA's most prestigious *Jim Crowley Award* at the Battle Creek Clinic.

One of the highlights of the 1988 MHSFCA Battle Creek Clinic was the presentation of the highest award given by the Association, The Jim Crowley Award, to Mr. Elmer Engle. Mr. Larry Sellers, Traverse City St. Francis, as Chair of the Award Committee made the presentation.

The Jim Crowley Award is dedicated to the memory of the former coach of Jackson Lumen Christi High School. Jim Crowley was a great coach and a dedicated family man. The Award honors those individuals who have gone above and beyond the call of duty to aid football and the MHSFCA.

Mr. Engle coached high school football for one year in his native Illinois before joining the staff of Ray Elliot at The University of Illinois. Elmer spent three years on the Elliot's staff. He moved on to Bay City and became the head coach at Central High School for the next 23 years. At Bay City Central, Coach Engle compiled the best coaching record in the history of the Saginaw Valley Conference — 165-34-8. Elmer Engle retired from coaching in 1972 and from teaching in 1978.

Many of coach Engle's players and coaches have stated that playing football for him was "more than a game, it was an experience which stressed the value of living within the rules of fair play and morality." Coach Engle developed many outstanding players.

Elmer Engle has received many honors, including his selection to the MHSFCA Hall of Fame in 1982. He has served the Association as Regional Director, Historian, and Clinic Speaker.

It is with great pleasure that we present Coach Elmer Engle with our most prestigious award, The Jim Crowley Award.

## John Dean

Detroit Northern High School  
President M.H.S.F.C.A.  
1988

Once again it is time for the Michigan High School Football Coaches Association to embark on a successful year. As President, I should like to encourage all football coaches in the state to strive for your best year ever, if not in wins, in helping our young men become first class citizens in our society.

The players, cheerleaders, and student fans we have are the future of our country and our state, and it is imperative that we, as coaches do our best job ever with them both on and off the field.

Our coaches' organization has grown tremendously over the years. Many of the things that have been fought for to improve football in Michigan have been accomplished. However, much more needs to be done. Together, as an organization, we should be stronger in promoting the sport of football and all the ideals that the game stands for.

Athletics in general, and football in particular, are the last bastions of discipline in our society. We must not, we cannot give up on those basic objectives and discipline that helped build this great country in which we live.

Coaches, stand up for what you believe, teach the fundamentals of life as well as football to the best of your ability and we will all survive the pressures that are put on our young people.

Our upcoming events — the Hall of Fame Banquet in April, the East - West All Star Game in July, along with the Coaches of the Year, Academic All-State Team, and Clinic in January, 1989 — will only continue to be successful if you, our members, continue to support these endeavors.

Coaches, stand up and be counted! As your President for this term, I'm counting on you.

*John Dean, President  
MHSFCA*

### Corrections and Apologies

In the December 1987 Newsletter Burton-Bentley took an undeserved beating. Both Calvin Ter Haar, Class C Region 2 Coach of the Year, and Tom Holser, Assistant Coach of the Year, were improperly identified. —LM

As a coach, you can be successful because you have a special relationship with students and athletes.

Most coaches underestimate the influence they have on the young men and women who play for them. As you know you are an authority figure to them. They look up to you because you occupy a leadership role at a very significant period in their lives.
