Spicer Leadership Award

On behalf of all of us at St. Mary's Preparatory, and in particular for those associated with the football program, I would like to thank you for the honor of being named as recipients of the Steve Spicer Award. Our team put in many hours both on the football field and in the greater community in order to grow as players and as responsible citizens, and it is nice to be recognized for these efforts. Please accept our gratitude.

Sincerely,

George Porritt, Athletic Director & Head Football Coach

coaches. The Crowley Award is presented annually to a person who has promoted high school football in the state of Michigan and also contributed to our Association.

Dave Woodcock is a graduate of Saginaw St. Mary Cathedral High School, class of 1953. He graduated from Hope College in 1958 and received his master's degree from Wayne State in 1969.

Dave married his college sweetheart, Parmelia in 1958. Dave and Parm are the proud parents of Lynne, Susan, Patricia, Charles and Micael and have eight grandchildren.. His 41 years of high school coaching have taken Dave and his wife to Romulus, Brown City, Port Huron Catholic, Flint Southwestern, Royal Oak Shrine, Detroit Catholic Central, Gaylord St. Mary's, Belding, Jenison, Fremont and back to Jenison this past season where he assisted Coach Dave Larkin and his staff as they took the Wildcats to the State Finals. Included in Dave's 205-95-5 record are many league championships and playoff appearances, as well as individual accolades including including induction into the Port Huron Sports Hall of Fame (96), the Detroit Catholic League Hall of Fame (87), the Michigan High School Football Coaches Hall of Fame (96) and the Michigan High School Coaches Hall of Fame (98).

Coach Woodcock has been involved with the Board of Directors of the MHSFCA since 1982 and has served as Regional Director, Committee Chair and committee member and as President in 1993. Dave has been a tireless worker for the organization. He is always in attendance at meetings and organization sponsored events such as the Battle Creek Clinic, Hall of Fame weekend and the All Star Game (which he coached in 1985) and is always ready to lend a hand to make certain that things get done. If that means setting up tables and chairs for the Hall of Fame Banquet, introducing speakers at the clinic, supervising players in their dorm rooms during All Star week, or working the tunnel at the game, Dave will get it done.

We are very proud to present the 2002 Jim Crowley Award to one of our finest, Dave Woodcock.

Matt Prisk, Traverse City West; Steve Wilson, Fruitport and Mike Zdebski, Walled Lake Western were presented with the Spicer Leadership Award at the Battle Creek Clinic luncheon.

Accomplishments of Spicer Award Winning teams included:

Marysville

Coach Jim Venia

Marysville's main focus has been the forming of the *Viking Hero Readers* program. Each Friday, "Game Day," the Vikings visit the three elementary schools in the district and read to elementary students. The players volunteer their Focused Instructional Time periods in exchange for for the elementary trips in an envious display of leadership skills. The elementary students as well as the varsity players look forward to the "game day" ritual.

Other volunteer activities included volunteering a Saturday morning at the local soup kitchen, serving as flag football coaches for our 4th, 5th and 6th graders, administration of the Punt, Pass and Kick competition for local youngsters and Chamber of Commerce members, St. Clair County Woodland Development Center volunteers for SXI, SMI and TMI motor activity days, volunteers for St. Clair County's Special Olympics Day and participating in our "Lunch Buddy" program at the junior high school.

1. The National Cherry Festival - The staff and team worked from 9-9 every day of the festival providing parking lot security, over 120 hours.
2. Senior members of the squad served as caddies and cooks at the Women's Resource Center Purple Ribbon Golf Outing in August.
3. The Friday Readers Program - West Youth Friends - Players went to several area elementary schools every Friday during February, March and April to promote reading and act as mentors.

State of the Association

By 2002 MHSFCA President, Jim Clawson, Grosse Ile

Leadership... I am proud to be a member of an organization that promotes one of the most important traits a young man can develop during his high school career. The MHSFCA is made up of coaches throughout the state that care intensely about the well being of the young men that play football in Michigan. As the events of 9-11 unfolded, in the heart of our past football season, the football coaches in our state spent countless hours with our young men. Many of these hours were spent, in one form or another, coming to grips with the events of that tragic day. These

hours were important ones because the relationship between coach and player is one that is often pivotal in developing leadership characteristics in our young men. So, to all the coaches that took the time to be a leader, and teach the value of leadership, thanks! Your actions are what we believe our association is all about, affecting the lives of countless young men, year after year in healthy, responsible ways.

Our association is going strong, we currently have over 2400 members and through the efforts of our executive director, Don Lessner, we are reaching even more coaches on all levels in Michigan to become active members. So, head coaches, make sure everyone on your staff is an active member in our association. Together we can do great work.

The MHSFCA works year-round to promote football in Michigan. Each year we present our membership with the best, and largest football clinic in the Midwest when we run the annual "Winners Circle Football Clinic" in Battle Creek. At this function we elect regional coaches to represent your football concerns; please feel free to contact your regional director throughout the year to have your voice heard. We also bestow honors to people who have impacted the lives of our young men. This includes our member coaches, as well as individuals who have helped to promote football in Michigan by volunteering as scorekeepers, announcers, team doctors, etc. Our highest award, the Jim Crowley Memorial Award was presented to Dave Woodcock this year, and after listening to Dave's acceptance speech, I am doubly proud to be a football coach and a member of this association. The association proudly introduces the Academic All State Teams at the clinic as well. The Hall of Fame Banquet, held at the

University of Michigan in conjunction with our Spring meeting, is another highlight of the year as 600+ people from around the state come annually to see 25 deserving coaches get inducted into our Hall of Fame. At this function, the Terry Rose Memorial scholarship is presented to a student of an association member, another benefit of membership. This summer we will be taking another milestone step by bringing the 22nd Annual All-Star game to the University of Michigan. Our 22nd All-Star game will be dedicated as the "Hall of Fame Game" in support of our efforts to build a permanent Hall of Fame building. We have a unique opportunity this year to have all star week at Michigan State University, including our All-Star banquet, and then present the game in the "Big House" on Saturday. Our Leadership Conference will be held on game day at U of M as well. Come on out to the Leadership Conference and the game, it is a great way to kick off the season.

Our association is dedicated to promote the great game of football in Michigan. As president of the MHSFCA this year, I am proud to represent all of our members. Please, if you have any concerns dealing with the welfare of football and the health of our association, contact me via email (claw50@ili.net) or at my home phone (734-676-4486).

Future Teacher/Coaches Data Base

By Vince Leveille, Vassar H.S.

I am sure you are aware of the teacher shortage problem in our state. Finding a teacher that is willing to coach football is even more difficult and is getting worse every year. Nearly every head football coach has a player or two attending college for teaching.

I would like to develop a database of teacher education students that played football and are willing to coach upon graduation. I believe it would be much easier for administrators looking for teachers to hire a coach if they had a list of qualified applicants.

Below is an information sheet. Please copy this as needed and give it to any of your former players that are in a teacher education program in college and are interested in coaching upon graduation. They do not have to be seniors to get their name in the database. I would like to keep track of freshmen through seniors. The success of this program is dependent upon the coaches getting the information sheet to perspective teacher/coaches.

The second half of this concept is to get the information to your hiring person. If your school has a teaching opening and would like a list of future football coaches, they need to contact me and I will provide them with the information. Please notify your hiring person that there is a list available to them.

If a school employee would like a list of names, have them contact Vince Leveille by email at vleveille@vassar.k12.mi.us or by phone at 989-823-8534 (email would be easier).
