October 1991

11th Annual All Star Game Another Huge Success

Under the direction of All Star Chair, Larry Rueger, (Muskegon Mona Shores/Fruitport) the 11th Annual MHSFCA All Star Football Game, its shortened camp, Awards Banquet and other integral activities once again provided an enriching and exciting experience for all involved.

In the game itself, the West held on to a 15-12 margin while the East moved the ball from their own 11 yard line to the West 45 in the last 7 plays. The West's Chris List, a defensive end, (Kingston) finally sealed the victory for the West by sacking QB, Karl Wukie (Plymouth Canton), at the final buzzer.

New Policy Changes Mailing

MHSFCA Newsletter To Be Mailed to High School Principals

After discussing the efficacy of its Newsletter mailing policy at two consecutive Meetings, the Board of Directors of the MHSFCA decided to change its policy of addressing a copy of the Newsletter to the school superintendent. This and subsequent Newsletters will be addressed to the high school principal with a request to route the Newsletter to the school's superintendent and Athletic Director.

Several Regional Directors have reported the enthusiasm with which their Principals, Superintendents and AD's have read information about their schools reported in the Newsletter, when they passed their copy to those people.

The intention of the new policy is to achieve wider dissemination of news items that provide good public relations for the high school community — at the high school. Several Regional Directors have reported the enthusiasm with which their principals, superintendents and AD's have read information about their schools reported in the Newsletter — when they passed their copy to those people. They also noted that, particularly in larger districts, addressing the Newsletter to the superintendent was not an effective way of getting the information to the high schools within the district.

Membership in the MHSFCA is not limited to football coaches. Membership in the Association conveys several advantages including the right to nominate: All Star Players, Hall of Fame Membership, Academic All State, Assistant Coach of the Year Awards, Honorary Membership, the ability to counsel timely Scholarship Award applications, and special rates on Lions and Tigers tickets.

We wholeheartedly encourage all members of the high school community to become members of the Michigan High School Football Coaches Association and to take full advantage of their membership rights.

An application form for MHSFCA Membership appears on the back page of this Newsletter. It, or a facsimile, will ensure your receiving the MHSFCA Newsletter (published four times a year) and immediate access to all rights and privileges of that Membership.

Thanks to the work of Dennis Zbozen, Romeo, coaches and players from the 1981 All Star Team were invited back to the '91 Awards Banquet and All Star Game. Several members of the '81 team were able to attend both events and renew old acquaintances. The players and coaches were announced at half time of the game and posed for a group picture. (Left)

Finding the "Hidden Talent"

*By Kevin Byrnes
Head Coach, Lansing Waverly*

The tendency sometimes is to determine our starters and spend the majority of time concentrating on them. Because the starters need that time we may neglect the untrained or unmotivated players.

We at Waverly are in the same situation many of you are, we compete with much larger schools that have a larger talent pool to draw from. Therefore, we needed to find ways to maximize the productivity of our athletes. We developed a scout team program with which we've had tremendous success in developing non-starters who lacked the skills or motivation to compete at the high level necessary.

Basically what we did was take the non-starters and

The key is that we treat our scout team players like our starters, giving them constant praise, constructive criticism and having an expectation of excellence.

develop scout teams. These scout teams not only know our opponents offense, defense and special teams, but also know and execute our plays at a basic level. This sounds like a lot for the scout team to know but with organization and extra effort it becomes possible. The key is that we treat our scout team players like our starters, giving them constant praise, constructive criticism and having an expectation of excellence. It follows that these scout teams develop a tremendous amount of pride and enthusiasm which leads to very intense and productive practices.

The motivation from our scout team players is the result of our coaching staff constantly emphasizing that they can develop their skills and then show the coaches that they have developed their skills enough to be involved with the starting unit. We also make a special presentation each week to recognize a scout player of the week. A special T-shirt, plaque, or gift certificate can be used for this presentation.

This past year three of our scout team players developed and became starters. We also had four other players who had very specific skills which lead them to be roll players on the starting unit sharing time with a starter.

Our players quickly discovered how important they were to the week's preparation. Even if they did not play a down during that week's game they knew they were a very important part of our successes.

This scout team program helped to bring our team together and show that everyone on our team is important and can contribute to our goals.

Toyota Coach of the Year Clinic Moves to Lansing

February 28-29, 1992

We are happy to announce that the 40th annual Toyota Duffy Daugherty Coach of the Year Clinic will be in Lansing on February 28-29, 1992, at the Holiday South (Clarion Hotel). The Lansing area is centrally located and should provide an excellent opportunity for all coaches in the State to attend. The best possible speakers will be in Lansing for this year's clinic.

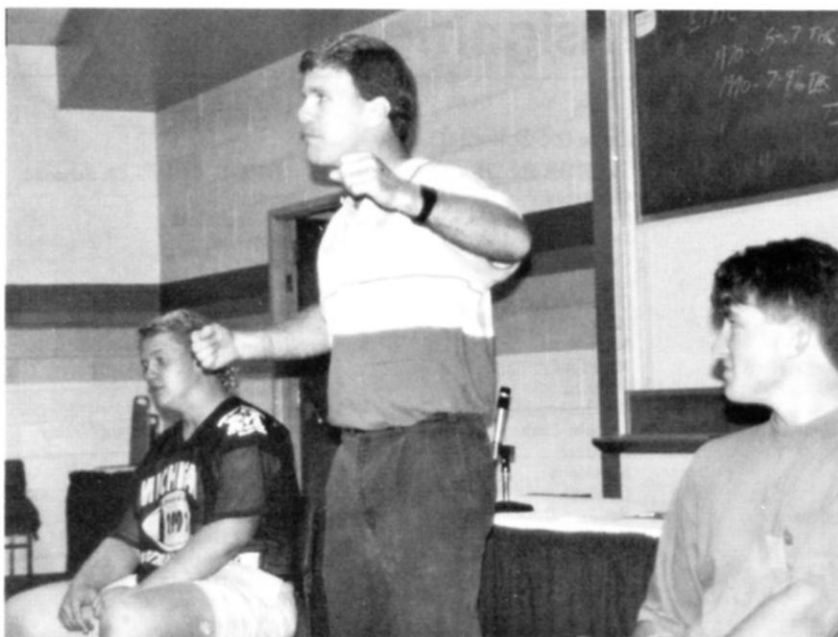

Bill McCartney, head coach at the University of Colorado will be one of our speakers. In his ten years at Colorado, Bill has changed the football program into one of national prominence. His 1990 team was National Champs after beating Notre Dame in the Orange Bowl and posting an 11-1-1 record.

For his outstanding accomplishment, Bill has been named "National Coach of the Year" by UPI, Kodak/AFCA, Bear Bryant/FWAA, The Sporting News, Dodge/Maxwell Football Club, and CBS/Chevrolet. Since 1985 his teams have won 50 of 71 games. They are definitely a major force in the Big Eight Conference.

Bill is greatly respected at the University of Colorado, his current contract runs through 2005. Also noted as a great high school coach, Bill is the only person who has ever had state championships in football and basketball the same year in the state of Michigan.

Bill has many friends in our state. He's coached at the University of Michigan, Dearborn Divine Child, Detroit Holy Redemer, and Taylor Center. Bill earned 11 letters in three sports at Riverview High School and lettered three times at the University of Missouri as a center and linebacker.

2nd Annual MHSFCA Leadership Conference

*By Don Lessner,
MHSFCA Executive Director*

The MHSFCA is committed to sponsoring a Leadership Conference for high school youth in our state. The second Leadership Conference was held in conjunction with the annual All Star Football Game at Michigan State University on August 2-3, 1991. Mr. Chuck Salvano and the Substance Abuse Committee are to be commended for the great job they did.

A Great Success Shared by A Few

In 1990 I informed our players of the first Leadership Conference. We got no response from them. This past summer, I told our team that anyone who was interested in being a captain – *must* – attend the Leadership Conference. Our football club agreed to pay \$30 of the \$50 fee. We had 10 seniors attend the conference and they were most impressed.

It is everyone's feeling that the Leadership Conference is a quality program and that it is of great benefit to those attending. The attendance for the first two conferences though has been very low. We need your cooperation to get your players and school leaders to take advantage of this opportunity. The conference is open to all

your football players plus: members of your student council, class officers, captains from any of your sport programs, etc. We need to inform other coaches of this outstanding program – and get kids there.

The Substance Abuse Committee can always use your help on this project and on others. If you're interested in helping out contact Chuck Salvano at 3251 S. Lakeshore Dr., St Joseph, MI 49085 or call him at (616) 429-2399. (See volunteer form on page 13 of this Newsletter.)

Many thanks to Chuck and the Substance Abuse Committee for their hard work. We need YOUR help to make a quality program successful.

MHSFCA Highlight Video

Rocky Jacobs, our resident video man, working with the ad hoc video committee has produced an MHSFCA Highlight tape. The tape includes footage of Association activities throughout the year including: the Battle Creek Clinic, the All Star Game and Camp, Playoff Championship games, Coach of the Year Awards, Hall of Fame Banquet, etc. The tape is approximately 10 Minutes long. It is available for use at regional and mini-clinics, cable TV Stations, rules meetings, and other applications where the promotion of Michigan High School Football is appropriate.

Terry Rose Memorial Scholarship

Just a short note to personally thank you and the Terry Rose Memorial Scholarship Committee for the check to my son Patrick to help with his tuition at Central Michigan University.

Maybe it was just, "the luck of the Irish," for his name to have been drawn at the Hall of Fame Banquet.

However, I feel very fortunate belonging to such a class Association that helps its members in such a needed way.

The scholarship check is most appreciated and from my family and I we send our sincerest thanks.

Sincerely, Pete Coll

All Star Cheerleaders

On behalf of the cheerleading staff at MSU, I would like to express our appreciation to you and the Football Coaches Association for allowing us to be a part of the 1991 All Star Game.

We thoroughly enjoy entertaining the team and parents at the banquet. We realize the extra cost involved by feeding 25 more people. We also appreciate the 100 All Star T-shirts, pop at half-time and the two coaching shirts

provided for all of us.

Our high school cheerleaders consider it an honor to perform at the game. It is definitely a boost to our camp and undoubtedly an added incentive to attend MSU Sports School.

I hope we can continue to carry on the tradition.

Sincerely, Julie MacLachlan

No Longer a Jocks' Club

Enclosed please find a check for \$20 in payment for the 5 tickets sent me for the All Star Football Game.

I am getting a little old to drive very far and put in an entire day but I thought it might be a good idea to give the tickets to our local high school football coach and let him take 4 of his boys with him.

While pretty much out of the mainstream any more, I do enjoy receiving the newsletters. I take special interest in the names of many of the coaches I knew "when." It was gratifying to see the organization grow from a "jocks' club" into an institution really interested in doing more and more for the kids; without them, we really wouldn't have any reason for being coaches.

Good luck in your continued efforts to advance the coaching profession, to improve the ethics which lie at the bottom of everything we do and to

keep foremost the advancement of good things for the kids.

Cordially, Robert M. Cartwright
Honorary Lifetime Member

All Star Anniversary

Thank you and the Michigan High School Football Coaches Association for an enjoyable weekend. Being honored on the 10th Anniversary of the 1981 All Star Game, made playing in the inaugural game that much more meaningful.

Best wishes for continued success to everyone involved with the MHSFCA All Star Football Game.

Sincerely, John Ghindia

Thanks For Tickets

On behalf of the youth of the Sanctuary and Judson Center, I would like to thank you in receiving the free Detroit Lions tickets of August 2nd.

Such activities of this nature are seldom available for such economically deprived and troubled youth. It is not only an activity of entertainment, but for these individuals it is also a tool in developing social adjustment, personal awareness and appropriate behavior by observing skill development, team cooperation, appropriate behavior and positive alternative discipline.

Again Thank You, Bill Buck

1992 All Star Game Saturday, August 1

Nominations

Class AA, A schools may nominate three (3) players

Class BB, B schools may nominate two (2) players

Class CC, C & DD, D schools may nominate one (1) player

As in recent years only one players per school may be selected to play in the All Star Game.

There are three reasons for allowing larger schools more nominations:

1. Larger schools usually have larger squads.
2. More nominations are made from the East, which has considerably fewer schools but predominantly more large schools.
3. The proportion of nominations relative to school population is more nearly balanced. (East and West boundaries were determined by school population, not by the number of schools.)

When nominating players for the All Star Game coaches should consider the following guidelines:

1. Only nominate players that you feel have the ability to play with the best in the state.
2. A player's character is vitally important. Only nominate players who will reflect positively on your school and on your community.
3. Check with players to be sure that if selected they will play in the game... before nominating them.
4. DO NOT NOMINATE PLAYERS WHO ARE CONSIDERING ANY OF THE SERVICE ACADEMIES (ARMY, AIR FORCE, NAVY). THEY WILL NOT PERMIT PLAYING IN ANY ALL STAR GAME.

If you have a player deserving of this honor please take the time to fill out the nomination form included with this Newsletter and mail it before the deadline: DECEMBER 1, 1991!

Special Note: Players selected to participate in the 1992 All Star Game will be required to submit all materials relative to participation (physicals, program materials, information sheets, etc.) by May 1, 1992... OR THEY WILL BE REPLACED BY THE 1st ALTERNATE AT THEIR POSITION.

In Memoriam

John J. Rapacz

We are saddened to note the death, January 2, 1991, of Coach John J. Rapacz.

John, a long time coach at Kalamazoo Hackett Catholic Central High School, coached in the MHSFCA All Star Football Game in 1985.

Don Lessner, Executive Director of the MHSFCA said, "John was a tremendous person. The many players that he coached were very fortunate to have had the opportunity to play for him."

Don't Neglect This Program

Athletes and drugs: What is the coach's role?

You Can Do Something about This Problem

As a coach, you can be successful because you have a special relationship with students and athletes. Most coaches underestimate the influence they have on the young men and women who play for them. As you know you are an authority figure to them. They look up to you because you occupy a leadership role at a very significant period in their lives.
