NOTES

A Tough Start

Opening the 1992 season proved a hazardous experience for both Jeff Stewart, Big Rapids and Ivan Muhlenkamp, St. Joseph. Ike was involved in an automobile accident in which he sustained considerable damage to his spleen. Jeff suffered a severe stroke after his opening game.

Both men have returned to coach their teams although their health problems continue.

God — It Felt Good!

Loren Willey
West All Star Coach 1992
Clio High School

It all started on that hot August morning in 1991 when Bill Tucker told me that I had been elected to coach in the All Star Game of 1992. Joy and panic rushed through my mind.

After 33 years of football on all levels, Class D to Class A, dirt to Astro

Richard accomplished as liaison was a thing to behold. He made it possible for the whole thing to come together. I was able to toss in my 2¢ on the offensive line.

There is a saying that is inscribed in stone on the side of Memorial

the hospital and convalescent home left us feeling like pretty lucky people: A great lesson for all of us.

No one can forget the love in the room the night of the All Star Banquet. Proud parents and coaches, beaming young men and women, excellent food, a feeling of family and togetherness and a chance to thank God for where we are.

Game day — Up early, too nervous to eat (they still have a scoreboard), the long walk to the stadium... time to reflect on what a great organization the MHSFCA really is. All the long hours that Don Lessner, Larry Rueger, Keith Froelich, Jack Schugars, Jim DeHorn, Jim Buttson, Milt Crasswiler, Larry Merx, Steve Spicer, Bob Knight, Mike Wojda and many others put in to make this show go. How indebted we all are.

Beautiful day — A great crowd, band, cheerleaders, 88 kids and 12 coaches were ready! Kick-off — The game is on, (this is all right, we've done this a couple hundred times). It's the same game we played at Dansville, 33 years ago.

Football has come a long way in 120 years. Old timers can hardly relate to our modern game. But the All Star Game of 1992 must have made them smile. The ghosts of high-top shoes, leather helmets, canvas pants and wool jerseys appeared in Spartan Stadium again. It became a rather basic game. Play tough defense, knock 'em off the line, run hard and good things will happen to you.

God — it felt good!

We came up with a plan where everyone got to play an equal amount of time. Practice was no problem. Our "melting pot" team came together fast. Small town kids fit in with their urban brothers and we became a family. "West Pride" was rising and we wanted to make some history of our own.

Turf, with no assistants to ten assistants, 1 and 8 to 8 and 1, long hours, low pay, a wife who could make a feast from goulash, I felt qualified... but could I do the job?

Who were these coaches I was to work with? Pat Gallinagh and Richard Salani I had only read about in the newspaper. Heck, they even lived in a different time zone! Frank Altimore and Phil Leigeb... I had coached against them, but that was hardly a relationship! Jack Crabtree I knew from working with him on the Drug Awareness Committee. He sure had my respect! Where and how would I fit in?

Our first staff meeting had hardly begun when I realized that this group was very special. Each of us brought a creative something to the table. In ten minutes we were all working at 100%. I knew then that this was going to be an exciting experience.

We were fortunate to have Pat Gallinagh as our head coach. Organized, tough, energetic, enthusiastic and loud, with his head screwed on right, he set the pace and tone for our team: "Get the job done and have fun." Frank and Phil brought their expertise in our new offense and made it simple enough that even I could understand. Jack worked and re-worked our defense and had it going in no time. The job that

Stadium at The University of Nebraska, "Not the victory, but the action; not the goal but the game; in the deed the glory." This pretty much summed up our approach to the game.

This was the 12th All Star Game. Not long enough to have a real tradition, but it did have a history. We wanted our kids to know the story of this game and something of the great players who had performed in Spartan Stadium. Thus, "Bubba" was at all our practices and our kids knew that, "Duffy wasn't really dead." Every day was a history lesson and sometimes it got intense. The team wondered if Pat was going to give all a test at the end of the day.

We came up with a plan where everyone got to play an equal amount of time. Practice was no problem. Our "melting pot" team came together fast. Small town kids fit in with their urban brothers and we became a family. "West Pride" was rising and we wanted to make some history of our own.

The team — what more could they want? Football, a great gang to hang with, and lots of food! The coaches thought they had dropped into some kind of football heaven. Great kids, super talents! We could tell coaches lies all day long! At night the best show in America at the "702 Club" (Coaches hospitality room). Time flew. Trips to

1993 All Star Game Saturday, August 7

Nominations

Class AA, A schools may nominate three (3) players

Class BB, B schools may nominate two (2) players

Class CC, C & DD, D schools may nominate one (1) player

As in recent years only one player per school may be selected to play in the All Star Game.

There are three reasons for allowing larger schools more nominations:

1. Larger schools usually have larger squads.
2. More nominations are made from the East, which has considerably fewer schools but predominantly more large schools.
3. The proportion of nominations relative to school population is more nearly balanced. (East and West boundaries were determined by school population, not by the number of schools.)

When nominating players for the All Star Game coaches should consider the following Guidelines:

1. Only nominate players that you feel have the ability to play with the best in the state.
2. A player's character is vitally important. Only nominate players who will reflect positively on your school and on your community.
3. Check with players to be sure that if selected they will play in the game... before nominating them.
4. DO NOT NOMINATE PLAYERS WHO ARE CONSIDERING ANY OF THE SERVICE ACADEMIES (ARMY, AIR FORCE, NAVY). THEY WILL NOT PERMIT PLAYING IN ANY ALL STAR GAME.

If you have a player deserving of this honor please take the time to fill out the nomination form included with this Newsletter and mail it before the deadline:

DECEMBER 1, 1992!

Special Note:

Players selected to participate in the All Star Game will be required to **submit all materials relative to participation** (physicals, program materials, information sheets, etc.) by **MAY 1, 1993...** OR THEY WILL BE REPLACED BY THE 1st ALTERNATE AT THEIR POSITION.

Political Action Committee

Apply the Rule Equally to All Sports Sanctioned by the M.H.S.A.A.

*By Robert D. Kefgen
Political Action Chair
Bloomfield Hills Lahser*

The following position statement was developed by the Political Action Committee of the M.H.S.F.C.A. at the Summer Meeting. A copy was sent to M.H.S.A.A. Director, Jack Roberts.

The M.H.S.F.C.A. vehemently objects to the rule as stated in the M.H.S.A.A. Handbook: Section 11 G, Subsection 1, Article E, Subarticle 2 which, as stated, denies football athletes equal access to professional coaching (by their high school coach), skill development, safety and injury awareness as granted to all other sports by the M.H.S.A.A. during the summer months and as granted by the Fourteenth Amendment of the U.S. Constitution.

The M.H.S.F.C.A. strongly recommends:

1. That the M.H.S.A.A. eliminate the above rule as stated

OR

2. That the above rule be applied equally to all sports sanctioned by the M.H.S.A.A..

We, the M.H.S.F.C.A., strongly suggest that football coaches be allowed to fulfill their obligations and responsibilities as stated in the M.H.S.A.A.'s *Coaches Guide*, page 17, Appendix A (Which addresses responsibilities) and Appendix B (Which addresses safety).

Assistant Coach of Year Award

The award for Assistant Coach of the Year has been modified to take into account a coach who has been a head coach, then returned to an assistant position in order to stay active in the sport. A Nomination form, included in the school edition of this Newsletter points out the requirement of ten years experience as an assistant. Due November 15

Athletes and drugs: What is the coach's role?

You Can Do Something about This Problem

As a coach, you can be successful because you have a special relationship with students and athletes. Most coaches underestimate the influence they have on the young men and women who play for them. As you know you are an authority figure to them. They look up to you because you occupy a leadership role at a very significant period in their lives.

Battle Creek Central Bearcat Running Back Drills

*By Al Slamer
Battle Creek Central H.S.*

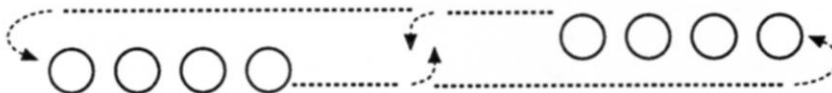

All drills should be developed and used to enhance skills that relate to successful execution at the running back position.

DRILL 1 STANCE-COURSE-FOOTWORK

- Objective:** To insure all understand and develop the proper stance, steps, courses used in all running schemes.
- Procedure:** Backs align on a line 3 yards apart, 5 yards from L.O.S. (2 pt. and 3 pt. stances) On cadence-right, left, straight ahead. Courses: Belly - Dive - Counter - Sweep - Option - Etc.
- Coaching Points:** Check feet, placement, width, weight distribution, first step, 2nd, 3rd, etc.

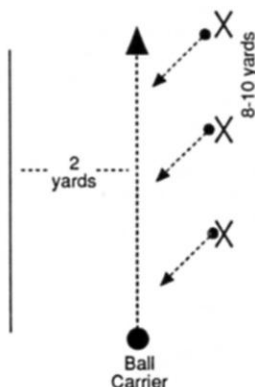

DRILL 2 BALL EXCHANGE DRILL

- Objective:** To show backs how to accept the football from the QB. Seat (hand off) the ball with leverage in the proper manner by "feel."
- Procedure:** Backs line up in two opposite lines 2 yards apart with about 6 yards separating the two leading backs. First back with the ball runs one half the distance to the back facing him, stops, turns to his inside and hands ball off to approaching back - look handoff in. The back receiving the ball does not start until the handoff man stops and turns to his inside. He accepts the ball with his inside arm up, fingers spread, thumb pointing towards his chest, palm down. The bottom arm is belt high, palm up. The ball is accepted by folding the top arm down - both ends of ball are secured with the palms and fingers. The ball is pulled to the outside with the bottom hand. Run three steps, stop, turn inside and hand off to the next man.
- Coaching Points:** Make sure backs accept handoff with head and eyes up - repetition will develop the proper "feel."

DRILL 3 ZIG-ZAG DRILL

- Objective:** To teach the proper arm to carry the ball in when running laterally.
- Procedure:** Align cones or markers in a zig-zag formation. Each player has a ball. First in line goes on coaches command. Thereafter, each goes when man in front has passed the first cone.
- Coaching Points:** Make sure ball carriers have ball in OUTSIDE arm. Ball must be positioned properly (hand covering cap). Shifting ball to outside arm should be done smoothly.
- Variation:** Add players with hand dummie at cones and work straight arm techniques as well.

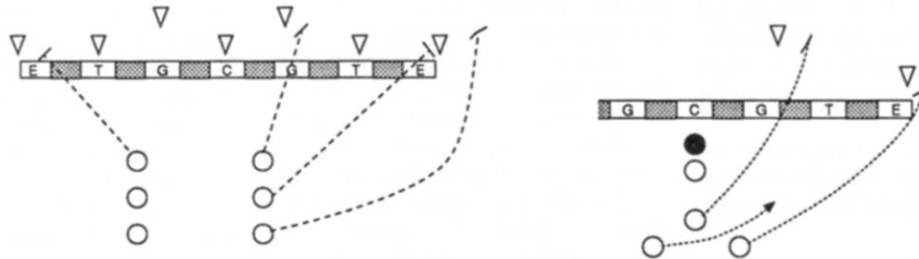

DRILL 4 STAY IN BOUNDS DRILL

- Objective:** To teach backs how to stay in bounds, attack defender, and maintain leverage on the football when running near the sideline.
- Procedure:** Three players act as defenders spaced 5-10 yards apart and about 2 yards from the sideline.
- Coaching Points:** Control the speed of the drill - work on form. Don't let players hit with the point of shoulder. Ball must be on the outside of runners body. Defenders do not attack runner until he has recovered from previous defender. Maintain leg drive throughout contact with defender.

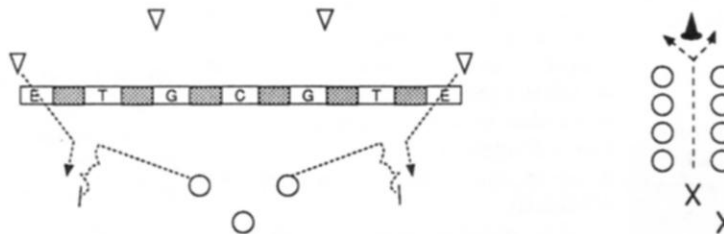

DRILL 5 RUN BLOCKING DRILL

- Objective:** To teach course, techniques and aiming points to block defenders.
- Procedure:** Align dummies on strip in the position of the defenders. Coach stands in position to give command to go one at a time. Players block and rotate to defensive bags.
- Coaching Points:** Set up various blocking situations - isolation power (J), sweep (hook), arc, etc. Aiming point - emphasize target area, i.e., inside hip, outside hip, middle, etc. Employ different defensive stunts to be picked up. Align backs in different formations YOU use.

DRILL 6 PASS PROTECTION DRILL

- Objective:** To teach blocking course, technique, and form on drop back type passes.
- Procedure:** Strip or other markers are used to represent the defensive linemen in the front desired. The backs act as either inside or outside LBer's and rush on coaches command. Backs align in desired formation - I, split, wishbone,
- Coaching Points:** On command backs sprint out of stance to contact point of rushing defenders. Backs must use proper technique, i.e., feet and body and head position on contact. Defenders rush hard up-field to dummy or cone 5-7 yards deep QB. Backs rotate to defense and defense to offense.

DRILL 7 GAUNTLET DRILL

- Objective:** To develop power running with ball emphasizing body position and ball security.
- Procedure:** Use gauntlet machine if available - if not use hand hold pads. Players would stand with pads facing each other forming an alley or gauntlet. On command ball carriers run through gauntlet. If using players for gauntlet, emphasize that they apply pressure on ball carrier while allowing him to pass through gauntlet. Have ball carrier make cut on cone or other marker after leaving gauntlet.
- Coaching Points:** Emphasize forward lean of body through gauntlet (45 degrees). Emphasize leg drive and high leg action. Drill can be modified to be used as a receiving drill. Catch pass then run through gauntlet.

DRILL 8 RUN AT 'EM

- Objective:** To help backs to develop techniques and moves to elude defenders in the open field.
- Procedure:** Set up cones or other markers 10-15 yards apart. Each player starts with a ball. On coaches command back moves toward 1st cone making move at cone, i.e. spin, straight arm, power, etc. Other players proceed when back ahead of them is about halfway through drill.
- Coaching Points:** Ball carrier should run STRAIGHT AT cone, Making move to elude at last instant. Emphasize to backs to vary their techniques, not always using the same move. Add players with pads at cones. Defenders maintain positions and only reach for ball carriers. They do not chase. Rotate ball carriers and defenders.

Terry Rose Memorial Scholarship Thank You

I wanted to thank the MHSFCA for choosing me to be the 1992-93 recipient of the Terry Rose Memorial Scholarship. I am truly grateful for the money (as is my father), and it will be very useful in helping with tuition for my final year of school.

The MHSFCA has been an important organization to my father. I am proud to receive a scholarship from such a group.

Thanks Again,
Tara Rueger
Class of 1993

Hall of Fame Thank You

I'm writing this as a long belated thank you and sense of appreciation for the honor the selection committee bestowed upon me as an inductee into the MHSFCA Hall of Fame in 1990. Please convey my sentiments to those fine people.

I want you to know that I recently unwrapped the plaque you sent me and have it proudly set up in my living room.

My prep coaching career has been blessed with a lot of fine memories and the many fine associations I have with outstanding individuals and coaches.

Gratefully and
Respectfully Yours,
Fred Mushinski

Reflection

Having spent a month in "retirement" it has given me a little time to think back to my association with the MHSFCA. I've been very fortunate to work with a group of men dedicated to improving the standards in Michigan football. I wish them all the best in the future.

I would like to thank you and your lovely wife for making [it to] our evening in Fenton. I appreciate your thoughts and your presence put a good touch on the evening.

Good luck in the fall. I hope to drop in on one of the board's meetings.

Yours in Football,
Mark Covert
Fenton

All Star Thanks

As a coach and parent the MHSFCA All Star Game has been a lot of fun for my family. Each year my sons and I have made the trip to M.S.U. to bond and share some great times together.

This year was even more exciting for us since my son, Jon, had the opportunity to participate in the game.

Jon's new friendships and experiences will never be forgotten.

To all who made this game possible... thanks. We (East) may have lost the game, but not the thrill and pleasure you have given my family.

Sincerely Yours,
Walt Wyniemko

Please extend my thanks to the MHSFCA for the opportunity to coach in this year's All Star Game. It is an experience that I will always remember.

I am very impressed with the All Star week... it's organization and attention to detail. Most people that watch the game are unaware of all the work that is done behind the scenes. Larry Rueger is a special person to be able to make things operate so efficiently.

The players involved were well-behaved and all certainly had all star ability. I enjoyed working with the coaches on both the East and the West, and will treasure the friendships that were made during the week. Again, thanks to all who made my week exciting and meaningful.

Sincerely,
John Walker
Troy Athens H.S.

Belated Thank You

Dear MHSFCA Coaches and Board, They say "better late than never" is a true statement. So I wanted to send you a belated "thank you." Our son, Eric Stover, class of '90, was selected to attend the All Star Football camp to represent the East team. We just wanted to tell you what an honor! and privilege! to attend such an event. Eric sure was fortunate to meet so many other guys, whom he had played against

and then become friends with during the camp. It's one of those once in a lifetime experiences. You folks sure put on quite a "Class One Act" there. The boys got so many perks, jerseys, shoes, etc. Also the banquet was excellent, the food was delicious... and we won the weekend get away trip to Stouffer's in Battle Creek. We got to use that in the spring when our son played a baseball tournament in Battle Creek.

Again may I say thank you for making the end of Eric's high school career the "icing on the cake." You folks sure made for some lifetime memories. I know a lot of volunteer work by a great many people go into this kind of project, along with a lot of sponsors. To them I would also like to say thank you. Also much thanks to Michigan State University for the use of their beautiful facilities.

Respectfully,
All The Stover Family

Lifetimer

When I first stepped on the football field to start my coaching career, I never dreamed that I would still be there 32 years later. I had so much fun and worked with a lot of wonderful young men. I am not sure I have it out of my system yet, but I think it is time to move on and give my wife a break. I want to thank the MHSFCA for all their support and all they have done for high school football in the State of Michigan. Please accept my lifetime application... and keep up the good work.

Lyle A. Berry
Godwin Heights H.S.

The Greatest Experience

I want to take this opportunity to thank the MHSFCA for allowing me to experience the greatest thrill of my twenty-five years in coaching... and that includes a trip to the Silver Dome! I don't know what I did to deserve this honor but I will be eternally grateful to the association for literally allowing a dream to come through for both me and my family.

I hope every member gets a chance to participate in this great game. It will be something they will never forget.

1992 All Stars Attending Colleges & Universities

It is truly a coach's dream directing 44 talented and highly motivated players, working with five knowledgeable and dedicated coaches, facilities that won't quit, no taping or training rules duties and to top it off the camaraderie and fellowship of some of the finest members of the world's best profession. It was a lot of work, but it was a labor of love and it was worth every second of it.

This All Star game is going to get nothing but bigger and better and if all our members get behind it by buying game tickets and volunteering their services, this showcase will grow in stature and prominence until it is not only the biggest all star game in the country, but also the best.

Congratulations to the All Star Committee on another outstanding job. If there is anything I can do to help in the future I will be more than willing to do my share.

Sincerely,
Pat Gallinagh
