## Notes/Letters:

### Reebok Combine

The efforts of many MHSFCA Members, Regional Directors and Reebok made for another successful Reebok Combine at Eastern Michigan University on Saturday, May 11. Many young athletes had the opportunity to demonstrate their abilities and Reebok, contributed a check for \$1000 to the MHSFCA.

### Persistence Pays with US Postal Service

For many years MHSFCA Executive Director, Dr. Don Lessner, has struggled with the bureaucracy of the US Postal Service to get "special bulk third-class mailing privileges." His efforts finally paid off this past summer when the authorization was approved by the Rates and Classification Service center of the United States Postal Service in Memphis, Tennessee. The special rate is for non-profit organizations and will reduce the expense of MHSFCA mailings considerably.

### NO Lions Tickets!

Those of you who have become accustomed to obtaining Lion's tickets at reduced rates from MHSFCA Executive Director, Dr. Don Lessner, are out of luck this season. The Lions organization has chosen to discontinue the courtesy to MHSFCA coaches this year.

### All Star Visits

Just Wanted to say thanks for bringing your football players to the Center (Intergenerational Community Center, DeWitt). The seniors and the children enjoy visiting with them and meeting some "celebrities!"

Thanks Again,  
Amy Schuster  
Activities Coordinator

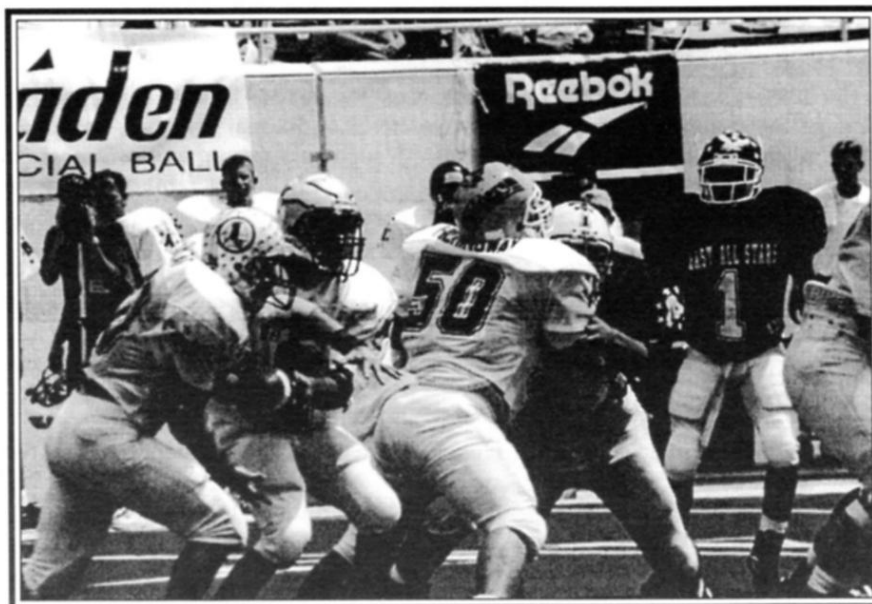

### Hall of Fame

Dear Committee Members,  
Congratulations on a fantastic banquet. It takes a lot of hard work to put on a first class event and the Hall of Fame Committee did just that.

I thank the Association for being inducted into the MHSFCA Hall of Fame. It is the highest honor of my coaching career.

Yours in Football,

## State of the Association 1996

*By Larry Rueger, President MHSFCA*

It is a privilege and an honor to be elected to the office of President of the greatest organization, and the greatest sport in the world. The Michigan High School Football Coaches Association. I am happy to report that because of the great leadership of the past officers and directors, the association is in great condition.

When the association was formed in 1972, the football coaches had virtually no input in the direction of the sport. Since then, the MHSFCA has had a great impact on high school football in the State of Michigan.

### Let's take a look at some of the accomplishments over, the last 24 years:

1. 1973 – The first clinic was held at Jackson Parkside High School with approximately 800 coaches in attendance. In 1982 the clinic moved to its present site, the Stouffer hotel in Battle Creek. This year over 1500 coaches attended the 24th annual clinic.
2. 1975 – First year of the state football playoffs with four teams from each of the four classes competing. Since then, the playoffs have been expanded, first to eight teams in each class, then to sixteen teams in each class, and in 1990, the number of classes was doubled to eight. We now have 128 teams competing for eight state championships.
3. 1981 – The first All Star Game took place at Spartan Stadium, showcasing 72 of the state's finest players. In 1988, an All Star Band was added to the festivities, and the number of players has been increased to 88 of the state's best. This year's game on August 3rd, marked the 16th in the series, and will include a reunion of the players from the 1986 game.
4. 1982 – the Hall of Fame became a reality when the Charter Board of Directors of the MHSFCA were inducted in a ceremony at the University of Michigan Football Clinic. In 1983, the induction ceremony took place at Crisler Arena at a banquet attended by over 500 people, and featured the late Woody Hayes as the guest speaker. The tradition has continued. With this year's induction, the Hall of Fame now includes over 300 member coaches. We are also very excited about the possibility of building our own Hall of Fame Building on the campus of the University of Michigan.
5. 1988 – The Association sponsored our first Academic All State Team honoring 24 outstanding student/football players. 24 additional players were named to an honorable mention list. Because of such outstanding scores, in 1991 we started taking anyone who accumulated 295 out of 300 points. In 1995 we started giving team academic awards and the top four teams in each class received an award.
6. 1990 – The Association inaugurated a substance abuse and Leadership Conference held in conjunction with the All Star Game. The conference was very well received and has become an annual part of the All Star Week.

Other Notable Association Awards include: The Jim Crowley Award, A \$1,000 Terry Rose Memorial Scholarship, Honorary Membership, Assistant Coach of the Year, Regional Coach of the Year, and State Coach of the Year. The MHSFCA also proudly awards ten scholarships, totaling \$5000 annually to deserving students from the State of Michigan.

## MHSFCA Regional Directors What Do They Do?

**M**HSFCA Regional Directors are expected to make a serious commitment to serve the Association.

Directors are expected to attend each of the four scheduled yearly meetings of the association: the Fall meeting held in Clare on the 1st Friday after the football championship games; The Winter meeting on the morning of the 1st day of the Winners' Circle Clinic; The Spring meeting on the Friday before the Hall of Fame Banquet; The Summer meeting on the Thursday and Friday prior to the All Star Game.

In addition to the regularly scheduled meetings of the full Board, Regional Directors are obligated to attend the All Star selection meeting in East Lansing in early January, they are expected to attend and help with the administration of the Hall of Fame Banquet, the Leadership Conference and the All Star Game.

Each Regional Director will also be assigned to one or more of the standing committees of the association. Participation in that/those committees may involve additional meetings and will always require the Director's talents.

# 25th Winners Circle Clinic, 1997

by Dick Fodor, Clinic Chair

**2** 5 years ago in Jackson, Michigan, the Michigan High School Football Coaches Association held its 1st annual clinic. A group of pioneers believed that Michigan high school football coaches had a great deal of knowledge to share with their fellow coaches. How right they were!

We have come a long way from high school auditoriums to the beautiful McCambly Plaza Hotel. The trips to Lincoln Park, Farmington, Lansing, Kalamazoo, etc. are remembered by many of us. Remember the first year in McCambly Plaza (Stouffers) with no heat in the exhibitor area? Coach Bo giving his Why Coach speech to packed house? The birth and growth of the playoffs?

Your clinic committee is preparing something special for this year's clinic on Friday, January 24th and Saturday, January 25th at the McCambly Plaza (formerly the Stouffers Hotel) in Battle Creek. The schedule will be expanded to include more small college coaches teaching techniques, Midwest high

school coaches in mini sessions, a major college coach headline speaker and the Michigan coaches who will have gone to the Dome in 1996.

Get your reservations in early. This year McCambly Plaza will be giving a two day discount to coaches who want to come in on Thursday night (inquire when reserving your room). There are many excellent motels in the Battle Creek area if McCambly Plaza is full (see flyer in this Newsletter).

There are a couple of things that are different this year. First, the PACE program from the MHSAA will be offered for those coaches who need to meet that requirement. Secondly, the Social Hour will be moved to the Kellogg

Arena where we have added some activities for you.

As a part of the Clinic, the MHSFCA has our annual awards banquet. It gives our association a chance to honor coaches for their outstanding seasons and honor those people who have had a long term impact on our sport in Michigan communities.

At the clinic, we have our annual business meeting. It is a short meeting between sessions. It is your chance to see what is going on in the association and it's a place where you can input your thoughts.

It has been 25 great years. We are looking forward to 25 more.

*See you in January!*

*Get your reservations in early.*

*This year McCambly Plaza will be giving a two day discount to coaches who want to come in on Thursday night (inquire when reserving your room).*

The PACE Level I program of the MHSAA will be presented to registrants enrolling in the program during the 1996 MHSFCA Winners Circle Clinic. If you are interested return this form directly to the Jerry Cvengros at the MHSAA, as noted on the form.

Pace, Level I registration is \$50 per individual and includes instruction, manual, and lunch at site.

*Make checks payable to MHSAA.*

*Make every effort to pre-register.*

# Greenville Yellowjackets Football

## Red Army

by Aaron West, Region 9 Director, Greenville High School

**B**etween 1994 and 1996 I worked as an assistant football coach for Jeff Smith in East Lansing. The majority of this concept was learned there, as it has been practiced for years within the Trojan football program. In both East Lansing and Greenville there is a sincere belief that all players are important to the success of the team. Therefore, being a member of the scout team is a very respected position.

Choosing an appropriate name helps convey the importance of the scout team. In East Lansing the scout team wears orange scrimmage vests and thus the nickname, "Orange Army." When I was named to the Greenville job, I realized that we had ordered red vests before my arrival and now we have the "Red Army."

It is also important to seek out a scout team coach. In Greenville we are very fortunate to have a volunteer, Andy Kalahar. Andy prepped at Jackson Lumen Christi High School and runs our scout team on a daily basis. Each week a scout team "Player of the Week" is selected. Andy makes this decision based on performance throughout the week. The following Monday, the coveted award is given at the conclusion of practice. As the entire team gathers around, a presentation of a two liter bottle of Red Crush soda is made. That player will also see a simulation of a news article posted on the lockerroom wall describing the accomplishments that earned him the accolades. His name is printed in bold type and appears several times in the writing. This document remains on the bulletin board for the remainder of the season. Copies of these same articles will also appear in our end of the season awards packet. Players begin lobbying for the award late in the week of practice. Near the end of practice on

Monday, there is a fair amount of talk as players tease one another that they will be the one drinking the red pop after practice.

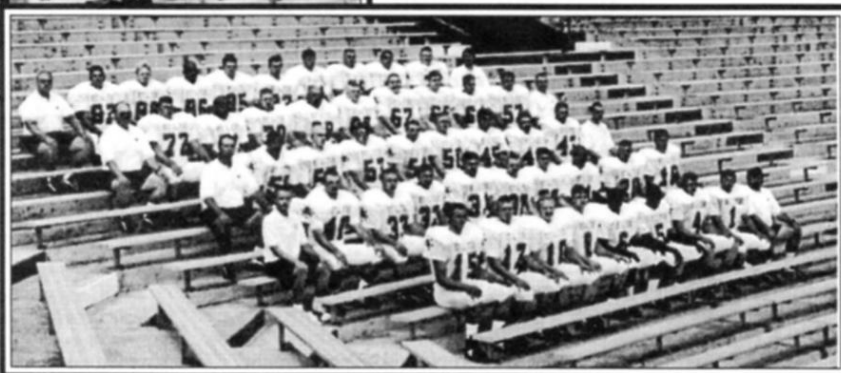

*As a result, our prep squad is motivated to give a great performance, week after week.*

As a result, our prep squad is motivated to give a great performance, week after week. Selecting a coach to run the scout team shows our players that this is an integral part of what will make us a successful team. The name itself implies being disciplined and rugged. Honors given to the player of the week provide incentives to perform. Our goal is accomplished as the "Red Army" provides our first and second teams with a challenging opponent each day in practice. More important, this allows the players who cannot work into the first and second teams to realize that their work and dedication do not go unnoticed. This is an extremely important aspect to consider as nearly all of us now that many young men need football a great deal more than football needs them.

## “... The most polite group we have had in the 16 years.”

by Larry Rueger, All Star Chairman

The 1996 Michigan High School Football Coaches Associations 16th Annual All Star Football Game at beautiful Spartan Stadium was once again a huge success. Coach Bob Schroeder and his staff from the East, and John Blankenship and his staff from the West are to be commended for their organizing and making the game and the week of three practices a day fun for the kids. The hitting game day was really very intense. It gets the adrenalin flowing for the rest of us. I would also like to thank the ten coaches who were working the camp all week as support people. We all had a good time and their help makes everything go smoothly. The players for the 1996 game were probably the best and most polite group we have had in the 16 years. Thank you head coaches for the nominations. You are to be complimented as well as the parents.

Nomination forms will be mailed out in a separate mailing again this year instead of being in the newsletter. They must be turned in to me by December 1.

Next year's game will be on August 2, 1997. I hope you will want to get involved somehow for the '97 game. There are so many of you missing out on this great experience. I hope that each and everyone of you are experiencing a good season. Start looking forward now to the 1997 All Star Game and get involved.

**Nominations Due  
DECEMBER 1, 1996**

3. Check with players to be sure that if selected they will play in the game... before nominating them.
4. Do not nominate players who are considering the service academies (Army, Air Force, Navy). They will not permit playing in any all star game.

If you have a player deserving of this honor please take the time to fill out the nomination form (mailed in a separate package) and return it before:

Special Note:

Players selected to participate in the All Star Game will be required to submit all materials relative to participation (physicals, program materials, information sheets, etc.) by MAY 1, 1996... OR THEY WILL BE REPLACED BY THE 1st ALTERNATE AT THEIR POSITION.
