NOTES**Scholarship**

Dear MHSFCA Members:

Thank you very much for the honor of being selected as one of 2001's Michigan High School Football Coaches Association Competitive Scholarship recipients. When I received the envelope in the mail, it was a pleasant surprise and thrill!

I have spent my entire life on the sidelines of great football games as a coach's daughter, enthusiastic fan, ball girl, and cheerleader. There has not been a single game where I have not enjoyed supporting the athletes, coaches, and die-hard fans who attend the games week after week every fall. Because football is such a significant aspect of my Family's life, this scholarship means not only a great deal to me, but to my family as well (especially Dad who is thrilled his daughter received a football scholarship!).

I look forward to receiving my award at the All-Star Game in July. The scholarship money will be used toward my tuition costs at Hope College, where I will be attending school next year. Thank you once again for the fantastic privilege of being awarded the MHSFCA Competitive Scholarship.

Sincerely, Kelly Bauer, Traverse City West H.S.

Dear Michigan High School Football Coaches Association,

I would like to thank you very much for selecting me for this great honor. I felt very privileged to play Football for the Michigan High School Athletic Association and receiving this award has truly made it a wonderful experience.

Thanks again, Oren Goldenberg, Berkley H.S.

All Star

I would like to say thank you for everything last week during the All Star week. I had a great time at Michigan State. It was a week that I will never forget, the chance of a lifetime... The banquet was superb and the game was even better. Once again thanks for everything.

Shaun Black, East All Star Assistant Coach, Henry Ford H.S.

State Championship

I just wanted to send you a note of thanks. I received my State Championship ring a few weeks ago. I appreciate the MHSFCA gift toward the purchase. Please pass my thanks on to the appropriate people.

Kyle Tobin, Whittemore-Prescott H.S.

Dream Team Banquet

The banquet will start with a cash bar and includes dinner. The event is sponsored by the Michigan Chapter No. 134 of the National Football Foundation and the *Detroit Free Press*. Mr. Randy Walker, head football coach at Northwestern University, will be the guest speaker. The Banquet will honor the top twenty-four football players in the state of Michigan along with the State Coach of the Year. "The Distinguished American Award" will be presented to Mr. Roger Zatkoff, former University of Michigan and Detroit Lion's football player. The award will be presented by "Bo" Schembechler, former head football coach at the University of Michigan.

This event provides an excellent opportunity for you to bring your coaching staff and your football players to a great evening of sports entertainment. Tickets are \$40 per person or for a table (10) \$400. Your booster club, athletic department, or school district may want to pay for your staff and players' tickets. This is a great experience for football players.

You can make reservations by filling out the enclosed form before November 28, 2001 and sending it to: Mr. Tony Versace, 4897 Rochester Rd., Troy, MI 48098-4962. Tony's telephone number at work is (248) 528-2860 and his FAX number is (248) 528-2549.

Hall of Fame

Let me express my gratitude to the MHSFCA, and especially the Hall of Fame Committee, for the tremendous honor that you have bestowed upon me. I was overwhelmed by the organization and class that permeated the entire evening of the induction ceremony. Listening to the introductions and then the remarks of the other inductees made me realize how special football coaching has been, not only to me, but to all of them, too.

The induction ceremony was the first Hall of Fame banquet that I ever attended, but I will make sure that it is not my last. What an inspiring event!

Sincerely, John Stark

Saturday night I had one of the greatest evenings of my life, being inducted into the Michigan High School Football Hall of Fame! What an honor. I can't believe it happened to me! Your committee has done great things for Michigan coaches, players and high school football.

Coach Carr is a great person! My son Joel asked for his autograph. He took the time to sign his name and asked what my son's name was. He said, "Joel Mittelstaedt." Coach Carr replied, "You must be from Maple Valley." My son took the autographed program back to Orlando and is still a very big Michigan fan.

As I have gotten older, I really have appreciated what the MHSFCA has done for football coaches in Michigan. I can't thank you enough for Saturday night.

What a night; what a memory!

Best Wishes, Sincerely, Guenther Mittelstaedt

Part of a trove of memorabilia rescued from a dumpster behind Ionia's Union Street School fifteen years ago. The picture at right is one of the remaining puzzles IHS Alumni officers are working to solve as part of their "Porch Project." The several boxes were given to Linda Ciangi in June of 2000. Linda, whose husband Frank played for and then coached the Bulldogs has spearheaded the project to transfer many reels of 16mm film to video that will be sold to support the Ionia HS scholarship fund.

AFCA Chair

The American Football Coaches Association has selected Ed Maloney, Head Football Coach at Gabriel Richard H.S. in Ann Arbor, to serve as Chair of the High School Committee of the AFCA.

Professional Growth

Your future in teaching and coaching is very important to you. I realize, however, how difficult it can be to continue your professional growth in both of these areas. As football coaches, I am sure that you attend as many clinics as you possibly can. I think I can safely say that over the past 20 years I have seen you in action at the MHSFCA Winner's Circle Clinic at one time or another. Most of you are active community members as well, leaving little time to earn a master's degree from a local college or university.

With this in mind, I would like to suggest a master's degree program that I believe fits the needs of all teachers who desire professional growth. The Marygrove Master in the Art of Teaching, Distance-Learning Degree Program (MAT) is a program that I can highly recommend to anyone who is busy teaching, coaching and raising a family. It is an accredited high-quality program that offers cutting-edge, practical courses and solves the problem of juggling daily professional and personal responsibilities. This program is designed to fit the needs of today's teachers, and you can earn the degree in one and a half years.

The Marygrove MAT allows you to work at home or school with a study team at convenient times; it is an outstanding solution to an important issue.

So, check it out! It may be the answer your professional growth needs.

Yours in Education, Jim Clawson, 1st V-P MHSFCA

Friday Night NCAA Football Games

By Keith Froelich, MHSFCA President

For more than a century, football fans have attended and enjoyed high school football games on Friday nights. A typical fall Friday evening in America consists of roughly 14,000 high schools competing in 7,000 interscholastic football games that conservatively involve a million participants and more than seven million spectators. Both the National Football League and the National Collegiate Athletic Association respected Friday as the special preserve for high school football. That premise was fundamentally altered with the recent NCAA Division I Management Council's revision of the bylaws that allows for college conferences to televise games on Friday nights. This action by the NCAA was never discussed with the American Football Coaches Association, the National Federation of High School Associations or any of the state high school coaches' associations.

As mentors of high school football programs, I believe that we fully recognize and foresee the likely long-term net consequences of this lack of support for high school football. More importantly, we understand the direct and calculated diversion of that support from the high school players, families, fans and communities to televised collegiate football games. Both the high school and college games rely on the same fan base. By playing and televising college games on Friday night, football fans will be forced to choose between attending a high school football game, attending a college game or watching a college game on television. The most likely casualty in this scenario is high school football.

As president of the MHSFCA, I have written the athletic administrators and head football coaches of the Big Ten and Mid-American conferences in the State of Michigan as well as the directors of the NCAA, the Big Ten and Mid-American Conferences, the AFCA and the NFHS to express our concerns regarding the future scheduling of Friday night college football games. I have also been in communication with the MHSAA regarding this matter and our organizations are in agreement. At this time, we have received written support of our position from Michigan State University, The University of Michigan, Central Michigan University and the NFHS. The AFCA and NFHS have both issued statements in support of reserving Friday nights for high school football. The Big Ten and the Atlantic Coast Conference (ACC) are among conferences that will recommend that the NCAA rescind the policy after the 2001 season.

As you can see, the movement to preserve Friday night for high school football is rapidly gaining support. However, it is still important for the MHSFCA membership to be actively involved in maintaining and building that support by writing and/or contacting the Division I colleges and conferences to underscore the importance of taking the position that Friday nights be set aside for high school football.

Listed below are the names and addresses of potential contacts at various schools, conferences and associations. If you have any questions or require additional information, please feel free to contact me at Okemos High School.

2001 All Star Game Tallies Second Highest Total Points Greatest Number by One Team

52 Point Total Falls Behind 57 Points Scored In 1989

East Score Eclipses Previous High 35 Recorded In West's 1999 Win

In July 27, 2001, the Michigan High School Football Coaches Association had another successful and exciting All-Star Football Game. The 21st annual All-Star Football Game was once again held at beautiful Spartan Stadium. I'm happy to report that everything went smoothly thanks to the two fine Head coaches and their staffs. What a great show their teams put on for a large crowd on a beautiful day.

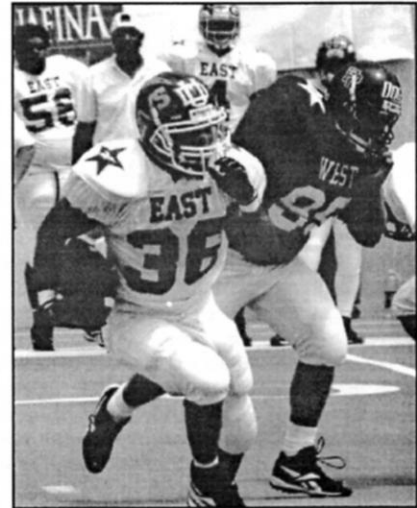

We had a good week at the All Star Camp. The kids were great and both coaching staffs had things organized and made it fun for everybody. Our hats are off to Bob Meyers (Lansing Sexton) Tom Hoover (Allen Park) and their staffs for giving us a very good week and game.

Nomination forms will be mailed out in a separate mailing again this year instead of being in the newsletter. They must be turned in to me by December 1, 2001.

I hope you will want to get involved somehow with the 2002 game. There are so many of you missing out on this great experience. GET INVOLVED!!!

It is hard to believe that number twenty-two is coming up in '02. Have a great fall. May you win them all.

Yours in football and friendship,
Larry Rueger, All Star Chair

#36 Desmond Crenshaw, University of Detroit Jesuit, the East's second leading rusher had 8 carries for 32 yards.

The Soaring Eagle is one of the most beautiful resorts in the state of Michigan. You can make room reservations by calling 1 (888) 7 Eagle7 and you will receive a special rate if you tell them you are with the Coach of the Year Clinic. The usual rate for overnight accommodations is \$149, but you will receive a special rate of \$100 per night if you mention you are attending this clinic. As a special three day bonus you can also stay overnight on Thursday, February 28 for only \$50. Make sure you register for both the 2002 M.H.S.F.C.A. Clinic and the 2002 Nike Coach of the Year Clinic at the same time and you will save \$30.

The Coach of the Year Clinic has an outstanding list of speakers including:

Gary Barnett - University of Colorado

Gary Barnett is one of the most respected head football coach in college football and he is in his third year as the Head Football Coach at the University of Colorado. During the seven seasons he was the Head Coach at Northwestern University, his Wildcats won Big Ten Championships in 1995 and 1996. His 1995 team was the first Northwestern team to play in a bowl game in 47 years, and when his 1996 team went to a bowl game, it marked the first time in Northwestern's history to ever go to back-to-back bowl games. Gary started his college coaching career under the legendary head coach, Dan Devine, at the University of Missouri. He was also an assistant coach under Bill McCartney for eight year before going to Northwestern University as the Head Coach. Gary was the Offensive Coordinator in 1991 at Colorado when they won the National Championship.

Tommy Bowden - Clemson University

Tommy Bowden is one of the "rising stars" in the college coaching ranks. His legacy is to turn losing programs into instant winners. In 1997, he became the Head Football Coach at Tulane and his Green Wave was 7-4 his first year followed by a perfect 11-0 record the following year. In 1999, he became the Head Coach at Clemson, and his 2000 Tigers were 9-3 setting team records with 437 yards per game, 55 TDs in a season, and most points in a season with 416. He was named ACC Coach of the Year last fall in only his second year at Clemson.

Jim Herrmann - University of Michigan

Jim was an All State football player at Dearborn Divine Child before lettering for three years at the University of Michigan as an inside linebacker. After coaching at Notre Dame High School and Orchard Lake St. Mary's, he began his coaching career at the University of Michigan as a linebacker coach. He was named the Defensive Coordinator in 1996, and in 1997, he was the winner of the National Assistant Coach of the Year Award. His 1997 defense only gave up 8.9 yard per catch which is a NCAA record, and they led the nation in total defense and points allowed. Jim is a "Michigan Man" and he has been very supportive of high school football in our state.

Joe Tiller - Purdue University

Joe Tiller established himself as an outstanding football coach when he was the head man at the University of Wyoming from 1993 to 1996. He was named the Head Football Coach at Purdue University in 1997 and he brought a new, wide open, brand of football to the Big 10. His Purdue offense is capable of scoring from anywhere on the field and it has provided a lot of spectator interest. The Drew Breeze era produced many NCAA and Big 10 records. Coach Tiller's record at Purdue is 33-16 which is a real turn-around from previous years.

His 1995 team was the first Northwestern team to play in a bowl game in 47 years, and when his 1996 team went to a bowl game, it marked the first time in Northwestern's history to ever go to back-to-back bowl games. Gary started his college coaching career under the legendary head coach, Dan Devine, at the University of Missouri. He was also an assistant coach under Bill McCartney for eight year before going to Northwestern University as the Head Coach. Gary was the Offensive Coordinator in 1991 at Colorado when they won the National Championship.

MHSFCA Executive Director, Don Lessner, Inducted into National High School Athletic Coaches Association Hall of Fame

*June 27, 2001 Event in Fargo, North Dakota
Marks Organization's 6th Induction Ceremony*

Dr. Don Lessner given national recognition for over 25 years of dedication to the promotion of football in Michigan and to service to the MHSFCA.

The editor of this newsletter from 1976 through 1983, Dr. Don still does all the stuffing, addressing and mailing. Don was Secretary-Treasurer of the Association from March of 1979 through July of 1989 when the Board of Directors recognized the level of his dedication and service by changing his title to Executive Director. He retains that position today. It's not just a title. Don has been a force in many (most may be more accurate) of the accomplishments of the MHSFCA including the founding of the All Star Football Game in 1980.

National recognition of Dr. Lessner's accomplishments and dedication by the NHSACA is well deserved. We add our congratulations and thanks for his tremendous dedication to our sport.
