SERVING MICHIGAN'S COACHES

December 2009

2010 MHSFCA Scholarships

The MHSFCA sponsors two different scholarships for its members and their students. If you have an athlete or other member of your program who you believe is deserving, please make sure that the proper forms and/or paperwork are completed.

The deadline for scholarship applications is March 1.

Competitive Scholarship

These scholarships are for those outstanding students who are involved in your football programs. There are 10 scholarships awarded statewide. In addition to players this could include managers, statisticians, student trainers, football cheerleaders, or any others that are part of your program. All candidates need to fill out a scholarship form and return it according to the directions. These awards are based on class rank, ACT score, GPA, references, and a student biography. Successful candidates in the past have generally had a GPA of 3.5 or higher and an ACT score of 25 or higher.

If you have such a deserving student please give the application form to them to complete. (See application form in this Newsletter.)

Terry Rose Memorial Scholarship

This \$1000 scholarship is available to the children of MHSFCA members. The only requirements are that the son or daughter is planning to attend an institution of higher learning next year and that their parent is a member of the Michigan High School Football Coaches Association. You should send your child's name, your name and address and the name of the high school you are associated with for each child that is eligible. This scholarship is drawn by lottery at the Hall of Fame Banquet in Ann Arbor in the spring.

If you have questions regarding either of these scholarships contact:

CBS MaxPreps.com/MHSFCA Community Service Reading Award

The CBS MaxPreps/MHSFCA Community Service Reading Program is a community service project in which high school student athletes are matched-up with elementary teachers and their students. The high school football players sit-in on the elementary classroom one class period per week, at least during the football season and read to the students.

CBS MaxPreps.com has pledged to fund the Community Service Reading Award. The rate of funding to be based on the percentage of Michigan's football programs that regularly

participate in the company's free online stats management and communications services. In the 2009 season we exceeded 40% of our teams submitting stats to CBS MaxPreps. This provided us with two \$500 dollar grants for award winning programs. The grants, to the elementary schools that participated in the reading programs are for the purchase of library books.

Winners for 2009 are:

*Chelsea High School
Swan Valley High School*

2009 Recruiting Fairs & Seminars

In the second year of offering recruiting fairs and seminars, despite stumbling a bit with scheduling, attendance was up and increased opportunities for student athletes were presented. Plan to take part in next December's events that put college recruiters together with high school coaches in one place for a couple hours. Given the continual reduction of both high school budgets and college recruiting budgets, the fairs offer an inexpensive alternative for personally getting information about your student athletes out to college coaches. In addition to the fair, the seminars for underclassmen (both guys and girls) through middle school students offers student athletes solid advice for how to prepare for college eligibility and the recruiting process.

In 2010 we would like to offer additional Fairs and Seminars in different geographic areas of the state. They are three hour events that need a school cafeteria or similar space. If you would like to help by hosting an event contact Jack Fairly at Jackson High School, jfairly@jpsmail.org, Ath Phone: (517) 841-3715.

Attention All Football Coaches! Wive's Club Initiated

Think about the numerous things your wife does to help make your football program successful. From cooking dinner, to organizing fundraisers, to working at football camp, to making highlight tapes, to cheering from the sidelines, your wives play many important roles.

To help football wives have a support system of women that understand the trials and tribulations and excitements and joys of being a football coach's wife, we are organizing a "club" within the MHSFCA.

Plans are being made now for an active group. Be sure to pass this information along!

COD (Change of Direction Training)

*From Daimond Dixon
Grand Rapids Central HS
Performance sport@hotmail.com*

When I train my athletes, one of the top things we work on is C.O.D. (change of direction) Training.

Why? Name the sport: football, soccer, hockey, lacrosse - they all rely on explosive change of direction from moment to moment. And training for that change of direction in order to make a great play is critical to success.

Use the set up below with cones 5 yards apart to train your C.O.D. There are 3 different phases that begin at each change of direction. Use the drills below to insert into the set up.

For example: Sprint/sprint/sprint (Sprint from cone A to Cone B, sprint from Cone B to Cone C, and sprint back to Cone A)

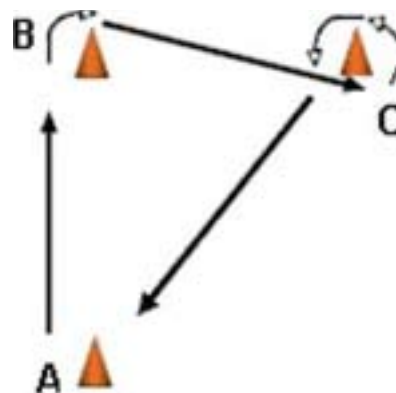

Drills:

- sprint/shuffle/backpedal
- shuffle/sprint/shuffle
- sprint/shuffle/sprint
- backpedal/sprint/backpedal
- shuffle/backpedal/sprint
- backpedal/backpedal/sprint

C.O.D. Tips:

1. Start from a variety of different stances (2-point, 3-point, square, etc.)
2. Keep your arms moving with elbows pumping in and out of turns
3. Stay on your power pads (balls of your feet)
4. At each change of direction, get your head around and look to the next cone with your eyes
5. Add the use of catching, dribbling or throwing a ball when you return to Cone A

Three Cones at five yards apart.
