SERVING MICHIGAN'S COACHES

March 2008

2008 Crowley Award Winner Dick Fodor, Bridgman

By Larry Sellers, Crowley Award Chair

Jim Crowley, in whose memory this award is named, was the head coach at Jackson St. John and Jackson Lumen Christi High Schools for seven-teen years, during which time his teams compiled a record of 127-34-6, four unbeaten seasons and Class B State Championships in 1977 and '79. Jim served the MHSFCA as the Chairman of the Public Relations Committee. Jim Crowley stressed having fun, working hard, and being dedicated to his young athletes. He often said, "If you don't have fun playing football, it isn't worth the time and effort you put into it." Coach Crowley's young men

took that bit of philosophy to heart and had a great deal of success, not only on the football field but later in life as well. Coach Crowley was shot and killed in his own driveway just two months after the 1979 State football finals.

Jim Crowley was a good football coach and a valuable member of the MHSFCA. We remember that and recognize Jim's contributions to football in Michigan with our annual award in his name.

Dick Fodor, our 2008 Crowley Award recipient, was born in the Upper Peninsula community of Iron River in July of 1947. He attended Iron River schools and graduated

from Iron River high School in 1965. He attended Michigan State University and received his teaching degree from MSU in 1969 and his Masters from Western Michigan University in 1975.

While most of our previous Crowley recipients spent their careers at a variety of schools, Dick found a place he loved and stayed there for his entire career, influencing the lives of literally thousands of children and families over his thirty-four years in the classroom and on the fields, floors and tracks of Bridgman Schools.

During his thirty-four years at Bridgman, Coach Fodor taught middle school science, mathematics, language arts and social studies, was a national tester for science curriculum and an educator of Michigan science teachers. He also was an MEA and NEA representative and did summer work as a school custodian.

During his thirty-four years at Bridgman, Coach Fodor taught middle school science, mathematics, language arts and social studies, was a national tester for science curriculum and an educator of Michigan science teachers. He also was an MEA and NEA representative and did summer work as a school custodian. Certainly his heart and soul was in the Bridgman community.

As busy as he was inside the school setting he began to help the junior high football, track and basketball programs and then became the defensive coordinator for the high school football program while becoming the varsity track coach for the next twenty-four years and stayed on as the junior high basketball coach for the next fifteen years.

In 1981 Coach Fodor became the head football coach at Bridgman High School, retiring from that position in 1990. Ivan Muhlenkamp, the renowned St. Joseph High School coach and also a Crowley recipient, convinced Dick that he was too young to retire from football and talked him into coaching the St. Joseph JV football team for the next ten years. In 2000, Dick once again became the head coach at Bridgman and held that position for the following two years.

Dick Fodor is joined by family, including his wife at left, and friends after his Crowley Award presentation at the Battle Creek Winners Circle Clinic.

Fran Herrington Award

MHSFCA Women of the Year

Kay Merx & Peggy Warmack

By Steve Robb, Milan

The Fran Herrington Award is presented in the memory of the late wife of John Herrington from Farmington Hills Harrison High School. Fran was a tremendous part of the Harrison football program and school community who gave tirelessly of her time and energy. She helped in creating a successful football program in her community, and she also worked on a number of projects for the MHSFCA.

This annual MHSFCA award recognizes and honors those women who have contributed their time, energy and expertise to promoting high school football in their community and in the state of Michigan.

A graduate of Adrian College, **Kay Merx** (left above) has contributed to the football programs in Addison, Tecumseh, West Bloomfield, Ann Arbor Huron, Ypsilanti, Erie-Mason and Dexter while maintaining a highly successful career in Real Estate Sales and Management in Ann Arbor. She has also been an indispensable member of the All Star Game Program Sales crew, selling programs at each All Star Banquet and All Star Game since 1985, that's 23 years straight. Kay has also contributed consistently wise advice about program sales, the MHSFCA Newsletter, and other association business over the years.

Peggy Warmack (right above) of Paw Paw is a graduate of Comstock High School and Mesa State University in Colorado. She has been involved with the football programs at North Muskegon, Kalamazoo College and Paw Paw High School for 26 years. She currently teaches biology and environmental sciences at Portage Central.

Peggy has been married to Coach Dave Warmack for 41 years and has attended all but two or three games in Dave's 35 years of coaching. She has kept stats, taped games, served as hostess for countless team meals, organized numerous banquets, created camp brochures and produced season highlight films for the players. In 1985, Dave had a bone

marrow transplant. During his hospital stay, Peggy took game tapes to the hospital and helped him break them down so he could be prepared for the next season.

The Michigan High School Football Coaches Association is proud to present the 2008 Fran Herrington Woman of the Year Award to Kay Merx and Peggy Warmack.

Nominations for the Fran Herrington Award should be sent to Steve Robb, 2660 Woodsboro Ct, Canton, MI 48188. Email: robbs@milan.k12.mi.us.

State of the Association - 2008

Dave Larkin, 2008 President

Since our inception in 1972 our association has enjoyed great prosperity as a direct result of the tireless efforts and dedication of our past officers and Board of Directors. With our annual membership consistently over 2000 each year, our association continues to be not only one of the largest, but a model for coaches associations across our state and the country. The primary goal of the MHSFCA is to promote high school football in Michigan. Here are some of the ways our association works to accomplish this:

The New Year began with the 36th Annual "Winners Circle Clinic" in Battle Creek (one of the largest clinics in the country). The speakers again were outstanding, highlighted by keynote speakers Butch Jones Head Coach of MAC Champions, CMU; Frank Beamer Head Coach at Virginia Tech and Rich Rodriguez new Head Coach at The University of Michigan). At the clinic banquet we present the prestigious Jim Crowley Memorial Award, Steve Spicer Leadership Awards, State and Regional Coaches of the Year Awards, Assistant Coaches of the Year Awards, Woman of the Year Awards and Honorary Lifetime Membership Awards, all of which recognize significant contributions by many people to high school football. Current and newly elected directors are recognized at this function as well as past presidents.

The MHSFCA is proud to honor academic achievement by awarding the top four teams in each of our eight divisions Academic All State Team recognition. We awarded 38 deserving individuals with First Team Academic All State Honors. Of the 38 recipients this year, 24 were ranked #1 in their class and 33 have a 4.0 GPA or higher. Another 128 student-athletes were named Honorable Mention Academic All State.

The spring takes us to Ann Arbor for our annual MHSFCA Hall of Fame Banquet at The University of Michigan. The Hall of Fame began in 1982 with the induction of the charter board of directors as the original members. The association annually inducts Michigan high school football coaches who have had a minimum of 100 victories or a minimum of 20 years of coaching in the state. The presentation of the \$1000 Terry Rose Memorial Scholarship (MHSFCA past president - 1986) is awarded at this event.

The summer finds us in East Lansing where we gather for our annual MHSFCA All Star Football Game at Michigan State University. Eighty-eight of the best football players in our state play in one of the premier all star games in the country. At halftime we annually present ten \$500 scholarships along with our Youth

Football Alliance Award, The All Star weekend also includes our annual leadership conference which is for upcoming senior football players to learn leadership techniques to take back to their teams in the fall. During the fall, the membership is busy with the football season The MHSFCA was instrumental in the adoption of a statewide playoff system to determine a true state champion. The goal was accomplished in 1975 with the first post season competition. Our association has been the driving force in the continued expansion that now includes 256 teams in eight divisions. These eight championship games are played during Thanksgiving weekend at Ford Field in Detroit.

We are currently working towards the construction of a 4000 square foot Hall of Fame site in the new "Student Athlete Performance Enhancement Center" at Rynearson Stadium on the campus of Eastern Michigan University which is scheduled to open in 2010.

The MHSFCA is governed by a slate of officers and directed by 36 Regional Directors, Committee Chairmen, Past Presidents and an Executive Director who voluntarily give of their time to make our association and high school football in the State of Michigan, the very best.

36th Annual Clinic in Battle Creek

Al Slamer, Clinic Committee Chairman, MHSFCA Past President

Al Slamer, 2007 MHSFCA president and Clinic Chair.

The 36th Annual MHSFCA Football Clinic in Battle Creek was held on January 17, 18 and 19. Nearly 1600 coaches attended and used this three day clinic as an opportunity to pick up new ideas to help their programs and to celebrate the great experiences of the past season.

The Thursday night "Early Bird" sessions are becoming more and more popular as coaches are opting to come in on Thursday evening rather than Friday morning. A near full house of coaches listened to "headliner" Butch Jones, the Head Coach of the Mid American Conference Champion Central Michigan University Chippewas. Thursday night also featured two hour sessions with the Central Michigan staff.

The Friday morning "Kick-Off Classic" with Virginia Tech Head Coach Frank Beamer was a new addition to the clinic format. Attendance for the Coach Beamer talk was outstanding. The Friday afternoon sessions (by both High School and College Programs) offered seven different meeting sites occurring simultaneously with a wide variety of topics ranging from offense, defense, special teams, philosophy and conditioning. Many of the rooms were standing room only and additional rooms may need to be added in the future. Western Michigan University Head Coach Bill Cubit, Albion College Head Coach Craig Rundle, Western Michigan University, Michigan State University and the Eastern Michigan University staffs all gave outstanding presentations! Mo Moriarty and his staff from Carmel High School, the 5A State Champion from Indiana, offered five hours of insight into their successful program.

Friday night promised to be spectacular as the new Head Football Coach from the University of Michigan, Rich Rodriguez, provided the Keynote Presentation. The HUGE crowd enjoyed the humor and insight Coach Rodriguez offered about his past success and the future of Michigan Football. The "Social Hour" was held in the Kellogg Arena and this continues to be a great time of fellowship and camaraderie.

Saturday morning is always a treat as the "Ford Field" coaches share some of their ideas for program success. The Awards Banquet is held immediately after the last speaker. The Banquet honors the Regional Coaches of the Year, the Assistant Coaches of the Year, the State Coaches of the Year and individual programs which are receiving various honors. Dick Fodor from

Steve Spicer Leadership Awards

Spicer Leadership Awards were presented to: (above) Jack Schugars, Muskegon Oakridge; Bob Meyer, Walled Lake Central (accepted by Mark Thomas, South Lyon); Steve Wilson, Fruitport; and (not pictured) Larry Maki, Ewen Trout Creek at the clinic luncheon in Battle Creek.

Above: Rich Rodriguez, Head Coach The University of Michigan.

Right: Frank Beamer, Virginia Tech University.

Bridgeman and St. Joseph High Schools was honored as the Jim Crowley Award Winner, the highest honor the MHSFCA bestows on a coach.

The clinic continues to grow as a near record number of exhibitors were set up in the Kellogg Arena and a record number of speakers presented during this three day event. The Clinic Committee is trying to offer you the best learning opportunity in the country. If you have any suggestions or ideas that would help to improve the clinic please contact your Regional Director.

See you in Battle Creek in 2009!

NATS is the MHSFCA Skills Camp

The National Athletic Testing System (NATS) is a program partnership between the American Football Coaches Association (AFCA) and officially recognized state high school coaches associations.

The NATS program is in many respects an athletic version of the Scholastic Aptitude Test for high school football players. It is a nationwide standardized athletic performance test that produces results that can be used to track and compare the players' athletic ability and development. NATS is also, however, a means of providing players, parents, coaches and guidance counselors important information and services pertaining to college recruiting, NCAA academic requirements, financial aid and athletic performance analysis and preparation.

Development of NATS began in 2000 when the AFCA organized a task force comprised of college coaches and state high school coaches association representatives to research and develop the NATS program. The task force designed a national athletic testing system and established a standardized athletic test grading formula and player data distribution technology. The task force also developed web-based interactive tracking tools for players (and parents) to help them follow their physical development and academic progress throughout their high school career.

NATS concluded its third and final phase of development in 2004 when six state high school coaches associations

conducted the first NATS Tests. Following the success of these initial NATS Tests, AFCA approved full implementation of the NATS program.

All players, beginning as early as their freshman year, are invited to participate NATS. NATS results and player profiles are distributed online to every college football program in the country.

Advertising in the MHSFCA Newsletter

Want to “connect” with Michigan’s high school football coaches? Advertise in the MHSFCA Newsletter! The MHSFCA newsletter reaches each of its approximately 2,000+ members, four times each year.

The advantages: 4,000 copies of the MHSFCA Newsletter are printed four times a year. 3,900 are mailed and the publication is available online at MHSFCA.com. Each member of the association (high school and middle school coaches and youth league coaches) receives a copy mailed to their home address. A copy of the newsletter is also mailed to each high school in Michigan which participates in football (over 600) addressed to the head coach with routing to the athletic director, principal and superintendent. In addition a copy of the newsletter is mailed to every newspaper published in Michigan.

Deadlines: March issue, 15 February • May issue, 15 April • October issue, 15 September • December issue, the third Friday after Thanksgiving.

2008 MHSFCA Scholarships

The MHSFCA is proud to sponsor two different scholarships for its members and their students. If you have an athlete or other member of your program who you believe is deserving, please make sure that the proper forms and/or paperwork are completed. The deadline for scholarship applications is March 1.

Competitive Scholarship

These scholarships are for those outstanding students who are involved in your football programs. There are 12 scholarships awarded statewide. In addition to players this could include managers, statisticians, student trainers, football cheerleaders, or any others that are part of your program. All candidates need to fill out a scholarship form and return it according to the directions. These awards are based on class rank, ACT score, GPA, references, and a student biography. Successful candidates in the past have generally had a GPA of 3.5 or higher and an ACT score of 25 or higher.

If you have such a deserving student please give the application form to them to complete.

Terry Rose Memorial Scholarship

This \$1000 scholarship is available to the children of MHSFCA members. The only requirements are that the son or daughter is planning to attend an institution of higher learning next year and that their parent is a member of the Michigan High School Football Coaches Association. You should send one form for each child that is eligible. This scholarship is drawn by lottery at the Hall of Fame Banquet in Ann Arbor in the spring.

The Michigan High School Football Coaches Scholarship is intended to reward personal excellence in school and community. Students involved in a football program may apply for this scholarship. The scholarship has a monetary value of \$500. To be considered for this scholarship your head football coach must be a member of the Michigan High School Football Coaches Association. Applicants receive consideration for the scholarship on the basis of: 1. Academic excellence, 2. ACT scores, 3. Demonstrated service to school, community and church, 4. Evidenced leadership ability, 5. Citizenship.

Who is Eligible to Apply?

In order to be considered for a scholarship, a candidate must:

- Be a student involved in the football program as a player, cheer-leader, manager, trainer or statistician.
- Be a student in the graduating class of a high school, who is a citizen of the United States of America and resident of the State of Michigan.
- Have outstanding personal character and behavior as a leader in their high school community.
- Be a student of outstanding merit, who shows an appreciation of the value of education and is willing to work to achieve success.
- Rank in the upper one quarter of their class and have test scores (American College Test, ACT) that indicate academic success.
- Have on record a letter of acceptance from an accredited college or university.

What are the Policies of the MHSFCA Scholarship Program?

- Must be enrolled as a full time student in an accredited college or university.
- Scholarships are for one year only and are not renewable.
- The following merit standards will be used:
 Scholarship and Testing 350 points
 Leadership & Character 400 points

How Does A Candidate Apply?

- Obtain a Standard MHSFCA Scholarship Application Form, available from the MHSFCA Scholarship Chair. In addition to the application form, the following are essential in the order indicated:
 - Statement of not more than 300 words prepared by the candidate summarizing school and out-of-school activities, accomplishments and a statement of the applicant's objective for further education.
 - A transcript of the student's high school educational record from ninth grade through the first semester of their senior year, including class rank, total number of students in their senior class, grade point average, and ACT scores.
 - A comprehensive letter of recommendation covering leadership, character and scholarship from at least three people.

When Must Application be Submitted?

All Applications must be submitted to the MHSFCA Scholarship Committee before March 1 of their senior year.

Candidates will be advised of the decision of the Scholarship Committee before May 1.

Michigan High School Football Coaches Association

Alliance Award

MHSFCA Youth Football Committee

The MHSFCA Alliance Award is offered as a token of appreciation to person(s) having made a long-term commitment to youth football. Individuals that actively promote youth football, simply for a love of the game, and have done so for a long period of time, are excellent candidates. Coaches can be nominated if their contributions expand far beyond personal team(s). Won/loss records are of no concern. As a rule of thumb, persons that have affected the most youngsters over the longest period of time will receive the most consideration through this process. To date, all recipients of this award have been involved with youth football more than 20 years. Volunteers will be given additional consideration.

The nomination process will be completed when this form and accompanying letter are received on or prior to April 1 of the upcoming year. Please mail to: Bill Hollenbeck, MHSFCA, 6856 Wheeler Road, Maple City, MI 49664.

HSH Sports Consulting

We will review, observe and evaluate your varsity football program in a positive, professional and non-threatening manner. Our review, observations and evaluations will include practices and meetings.

What we WILL do:

1. Evaluate the football program in a positive and professional manner.
2. Keep the evaluation in strict confidence.
3. Present a final copy and discuss it with the head coach soon after its completion.

What we WILL NOT do:

1. We WILL NOT make any kind of recommendation for retaining or releasing coaches.
2. We WILL NOT evaluate a coach's ability.
3. We WILL NOT evaluate or comment on any game outcome or season record.
4. We WILL NOT discuss or share the evaluation with anyone other than the head coach.

*Areas Reviewed, Observed, and Evaluated:

- Time management
- Commitment
- "Climate"
- "Extras"
- Organization
- Delegation of responsibility
- Communication

These seven elements are broken down into several sub-elements to be evaluated. Let our 48 years of sport management experience help your program become more effective at a very reasonable rate.

Future Teacher/Coaches Data Base

By Vince Leveille, Vassar H.S.

I am sure you are aware of the teacher shortage problem in our state. Finding a teacher that is willing to coach football is even more difficult and is getting worse every year. Nearly every head football coach has a player or two attending college for teaching.

We have developed a database of teacher education students that played football and are willing to coach upon graduation. I believe it would be much easier for administrators looking for teachers to hire a coach if they had a list of qualified applicants.

Below is an information sheet. Please copy this as needed and give it to any of your former players that are in a teacher education program in college and are interested in coaching upon graduation. They do not have to be seniors to get their name in the database. I would like to keep track of freshmen through seniors. The success of this program is dependent upon the coaches getting the information sheet to prospective teacher/coaches.

The second half of this concept is to get the information to the hiring person. If your school has a teaching position open and would like a list of future football coaches, they need to contact me and I will provide them with the information. Please notify your hiring person that there is a list available to them.

If a school employee would like a list of names, have them contact Vince Leveille by email at vleveille@vassar.k12.mi.us or by phone at 989-823-8534 (email would be easier).
