SERVING MICHIGAN'S COACHES

March 2009

2009 Crowley Award Winner Bob Scheloske, South Lyon

By Larry Sellers, Crowley Award Chair

Jim Crowley, in whose memory this award is named, was the head coach at Jackson St. John and Jackson Lumen Christi High Schools for seventeen years. His teams compiled a record of 127-34-6, had four unbeaten seasons and Class B State Championships in 1977 and '79. Jim served the MHSFCA as the Chairman of the Public Relations Committee. Jim Crowley stressed having fun, working hard, and being dedicated to his young ath-

letes. He often said, "If you don't have fun playing football, it isn't worth the time and effort you put into it." Coach Crowley's young men took that bit of philosophy to heart and had a great deal of success, not only on the football field but later in life as well. Coach Crowley was shot and killed in his own driveway just two months after the 1979 State football finals.

Jim Crowley was a good football coach and a valuable member of the MHSFCA. We remember that and recognize Jim's contributions to football in Michigan with our annual award in his name.

2009 Crowley Award Winner

Bob Scheloske, South Lyon

Continued from page 1

Bob's first teaching and coaching position was at Southgate Aquinas High School where he was a varsity assistant from 1969 to 1971. In the fall of 1972, he began his first head coaching position at Battle Creek Pennfield High School. While coaching at Pennfield, he earned his Master of Arts in Guidance and Counseling from Eastern Michigan University in 1973.

In 1976, Bob was in the Upper Peninsula at Houghton as he began a four year-stint as the offensive coordinator at Michigan Technological University. In 1980, he moved back to the Lower Peninsula and became the head coach at Southgate Aquinas High School. He was a counselor and the head coach at Aquinas through the 1984 season.

In 1985, Bob became head coach at South Lyon High School and remained there for nineteen years; he also served South Lyon Community Schools as its Athletic Director for seven years.

Over the past forty years, Bob has coached wrestling, track and basketball. His football teams have qualified eight times for the playoffs, won three regional titles and made one appearance in the state final. They amassed seven league championships and made two Prep Bowl appearances. Individual honors include

six Regional Coach of the Year Awards, one Class A Coach of the Year Award, two Oakland County Coach of the Year awards, Oakland County Athletic Director of the Year, East Coach in the MHSFCA All Star Game and MHSFCA Hall of Fame in 1988. He has served the MHSFCA as a director, chaplain, committee chair, and President. Bob revised the MHSFCA structure, proposed the naming of Academic All State Teams and individuals, and led the finance committee to move monies from savings accounts to conservative investments.

Much like Coach Crowley, our recipient stressed working hard, being dedicated, and having fun. He was a role model to the thousands of young men he has coached throughout his career. He also was a role model to the young coaches who sought his advice, always willing to sit down with them to discuss football or to give them one of life's lessons.

Bob's wife of almost forty years, Mary, and children Lynn, Jim and Mike are extremely proud of what their husband and father has given not only to them but to the countless number of young men whose lives have been touched by "Coach Bob."

Fran Herrington Award • Women of the Year Helen Buttson & Louise Goosen

By Steve Robb, Milan

The Fran Herrington Award is presented in the memory of the late wife of John Herrington from Farmington Hills Harrison High School. Fran was a tremendous part of the Harrison football program and school community who gave tirelessly of her time and energy. She helped in creating a successful football program in her community, and she also worked on a number of projects for the MHSFCA.

This annual MHSFCA award recognizes and honors those women who have contributed their time, energy and expertise to promoting high school football in their community and in the state of Michigan.

At left, Helen Buttson - Allen Park: Helen has been involved in various capacities with the football programs at Aquinas HS, Woodhaven HS and Allen Park HS. Helen has also made a large contribution to the MHSFCA. She recently retired from working in Labor Relations and Human Resources with the Third Circuit Court of Michigan.

Helen has done just about everything you could do as a coach's wife, including scouting, kitchen work at football camp, fund raising, organizing banquets, parties & dinners, and everything in between.

For the Association, Helen works the All Star Banquet, the Hall of Fame Banquet and hosts the East All Star selection meeting. She also helps with the notification and organizational process for the East All Stars.

Helen is proudest of her work at Allen Park High School, where as a football mom, she created the Adopt-A-Jag program in 1995. This program is a type of Big buddy / Little buddy program that exists between the high school

players and the elementary school students, and it is still going strong 14 years later.

She also is on the Wild Game Dinner Committee at Allen Park, a fund raiser that helps support all 24 varsity sports teams.

Helen said, "Being part of a high school football program is rewarding in so many ways. For me, I must say that it has brought my husband and I an extended family of many coaches, wives and their children."

At right above, Louise Goosen - Ovid-Elsie: Lou is a graduate of Coopersville HS and has been an Accountant / Payroll supervisor for most of her working career. She is currently employed by Kenowa Hills Public Schools.

Lou started working on athletic fund raising for all sports in Coopersville in the late 70's.

Lou's involvement has always been marked by her service and encouragement to players and parents alike, leading to her nickname, "Mother Goose." Lou has made signs and banners, worked at Las Vegas nights, sewn quilts,

and organized raffles and dinner-dances. According to her husband Jerry, "Lou was committed to running a great football program even before we got married 33 years ago." She has never wavered from that commitment, and in fact, talked Jerry into coaching again, even though he is now an administrator in the Ovid - Elsie Schools.

As Ovid-Elsie made their playoff run this season, Louise was (and is) in the midst of a battle with cancer. But she continued to show the parents, players and coaches the same strength of commitment and great courage. She willed the players to go on and be great - while giving her son, the senior quarterback, the will and courage to believe he could do it.

37th Annual Clinic in Battle Creek

Al Slamer, Clinic Committee Chairman, MHSFCA Past President

The 37th Annual MHSFCA Football Clinic was held at the McCamly Plaza Hotel in Battle Creek on January 15, 16 and 17. The clinic was attended by a near record number of more than 1500 coaches. This year's clinic featured some format changes that appeared to be excellent additions to the clinic's organizational set-up.

The Annual Awards Banquet was held on Friday evening between the afternoon speakers and the evening Keynote Speakers. The Banquet honors the Coaches of the Year, Special Award Winners and the Crowley Award Winner. The Crowley Award is the most prestigious award given by the Michigan High School Football Coaches Association. It honors those who have made a tremendous impact on high school football in Michigan. The 2009 Crowley award winner was Bob Scheloske. Coach Scheloske's emotional speech was the highlight of the evening as a full house of coaches, family and friends cheered enthusiastically for the award winners.

The clinic began on Thursday evening with presentations by the University of Michigan staff and Coach Rich Rodriguez. The Kellogg Arena was filled with exhibitors both Thursday and Friday. Thursday early registration and having the exhibitors was a welcome addition to the clinic experience. Friday's session began with Ron English, the new Head Football Coach from Eastern Michigan University, as the "Kick Off Speaker." After the first speaker, the clinic kicked into high gear with seven rooms of presentations during the afternoon. Head Coaches Butch Jones, Central Michigan University, Bill Cubit, Western Michigan University and Chuck Martin, Grand Valley State University also gave talks with members of their coaching staffs. The afternoon sessions featured a wide variety of Michigan, Indiana and Wisconsin high school coaches. The Michigan State University staff was featured with offense, defense and strength training presentations. Division III powers Albion College, Alma College and MIAA Champion Trine University were also part of the lineup. Chris Peterson, the Head Football Coach from Boise State University (finalist for the Division I National Coach of the Year) spoke about his methods of building and maintaining a successful program.

Friday night in the Kellogg Arena featured our two Keynote Speakers. Kirk Ferentz, the Head Football Coach at the University of Iowa, started the evening. Mark Dantonio, the Head Football Coach at Michigan State University, was our lead Keynote Speaker and finished the night with an inspirational talk covering a variety of football related topics. The popular coaches' social concluded the evening and as always was very well attended.

Saturday morning featured Craig Rundle, Head Football Coach at Albion College, Jim Cole, Head Football Coach at Alma College and Tim Parker from State Champion Muskegon Oakridge High School.

The Clinic continues to grow as the Clinic Committee strives to make this the best teaching and learning football experience in the country.

If you have suggestions to improve our Clinic please contact your Regional Director. Good Luck in your off season preparation and see you at the Clinic next year!

HSH Sports Consulting

We will review, observe and evaluate your varsity football program in a positive, professional and non-threatening manner. Our review, observations and evaluations will include practices and meetings.

What we WILL do:

1. Evaluate the football program in a positive and professional manner.
2. Keep the evaluation in strict confidence.
3. Present a final copy and discuss it with the head coach soon after its completion.

What we WILL NOT do:

1. We WILL NOT make any kind of recommendation for retaining or releasing coaches.
2. We WILL NOT evaluate a coach's ability.
3. We WILL NOT evaluate or comment on any game outcome or season record.
4. We WILL NOT discuss or share the evaluation with anyone other than the head coach.

*Areas Reviewed, Observed, and Evaluated:

- | | |
|-------------------|--------------------------------|
| • Time management | • Organization |
| • Commitment | • Delegation of responsibility |
| • "Climate" | • Communication |
| • "Extras" | |

These seven elements are broken down into several sub-elements to be evaluated. Let our 48 years of sport management experience help your program become more effective at a very reasonable rate.

Rawlings To Provide MHSAA Playoff Footballs

By Jack Roberts, Executive Director, MHSAA

Beginning with the 2009 season, the MHSAA will welcome Rawlings as the official game ball provider for all levels of its Football Playoffs. The agreement capped a process that began with a November 2007 Audit and Finance Committee request and ended with Representative Council approval on Dec. 5, 2008.

Every football-sponsoring MHSAA member high school will be provided with two Rawlings balls of their choice prior to kick off the 2009 season. Subsequently, two balls will be provided to all playoff qualifiers in 2010, and one ball of each school's choice will be provided to playoff qualifiers in 2011, 2012 and 2013.

MHSAA staff was asked in the fall of 2007 to research policies and procedures of other state high school associations -- as well as the interest of manufacturers -- to supply footballs for the MHSAA Football Playoffs. This topic was discussed by the Audit and Finance Committee again in April 2008, with more information requested.

Findings confirmed that all neighboring high school associations and the majority of other states across the country had endorsed a football, most requiring the use of a particular model or models for all levels of their playoff series; and it was discovered that manufacturers' interest in a football endorsement exceeded their interest in any other sport.

Proposals were requested and submitted throughout the summer and early fall, culminating with Representative Council approval of Rawlings as the official supplier for all MHSAA Football Playoff contests at its Dec. 5 meeting. Any model of Rawlings football that meets National Federation rules may be used by participating teams.

Rawlings makes the endorsed football of California (three sections), Kentucky, Maine, Missouri, Montana, New York and Vermont.

Rawlings also provides the official ball for the MHSAA Girls and Boys Basketball Tournament, extending to all levels -- Districts through Finals -- in 2010 through 2014.

NOTE

It is our understanding that coaches were not surveyed before the MHSAA made their choice of the Rawlings ball nor was the MHSFCA consulted other than having been told that such an action was being considered.

Baden has been the official ball of the MHSFCA for several years contributing a \$500 scholarship annually and balls for use in the All Star Game.

Rawlings (footballs produced in China) has submitted a proposal to the MHSFCA to become our official ball.

Wilson (balls produced in the US) has also expressed a desire to be our official ball, and has presented a draft proposal.

NATS is the MHSFCA Skills Camp

The National Athletic Testing System (NATS) is a program partnership between the American Football Coaches Association (AFCA) and officially recognized state high school coaches associations.

The NATS program is in many respects an athletic version of the Scholastic Aptitude Test for high school football players. It is a nationwide standardized athletic performance test that produces results that can be used to track and compare the players' athletic ability and development. NATS is also a means of providing players, parents, coaches and guidance counselors important information and services pertaining to college recruiting, NCAA academic requirements, financial aid and athletic performance analysis and preparation.

Development of NATS began in 2000 when the AFCA organized a task force comprised of college coaches and state high school coaches association representatives to research and develop the NATS program. The task force designed a national athletic testing system and established a standardized athletic test grading formula and player data distribution technology. The task force also developed web-based interactive tracking tools for players (and parents) to help them follow their physical development and academic progress throughout their high school career.

NATS concluded its third and final phase of development in 2004 when six, state high school coaches associations conducted the first NATS Tests. Following the success of these initial NATS

Tests, AFCA approved full implementation of the NATS program.

All players, beginning as early as their freshman year, are invited to participate in NATS. NATS results and player profiles are distributed online to every college football program in the country.

2009 MHSFCA Scholarships

The MHSFCA is proud to sponsor two different scholarships for its members and their students. If you have an athlete or other member of your program who you believe is deserving, please make sure that the proper forms and/or paperwork are completed. The deadline for scholarship applications is March 1.

Competitive Scholarship

These scholarships are for those outstanding students who are involved in your football programs. There are 12 scholarships awarded statewide. In addition to players, this could include managers, statisticians, student trainers, football cheerleaders, or any others that are part of your program. All candidates need to fill out a scholarship form and return it according to the directions. These awards are based on class rank, ACT score, GPA, references and a student biography. Successful candidates in the past have generally had a GPA of 3.5 or higher and an ACT score of 25 or higher.

If you have such a deserving student please give the application form to them to complete.

**Deadline for
Application
Extended to
March 16**

Terry Rose Memorial Scholarship

This \$1000 scholarship is available to the children of MHSFCA members. The only requirements are that the son or daughter is planning to attend an institution of higher learning next year and that their parent is a member of the Michigan High School Football Coaches Association. You should send one form for each child that is eligible. This scholarship is drawn by lottery at the Hall of Fame Banquet in Ann Arbor in the spring.

MHSFCA Scholarship

The Michigan High School Football Coaches Scholarship is intended to reward personal excellence in school and community. Students involved in a football program may apply for this scholarship. The scholarship has a monetary value of \$500. To be considered for this scholarship your head football coach must be a member of the Michigan High School Football Coaches Association. Applicants receive consideration for the scholarship on the basis of: 1. Academic excellence, 2. ACT scores, 3. Demonstrated service to school, community and church, 4. Evidenced leadership ability, 5. Citizenship.

Who is Eligible to Apply?

In order to be considered for a scholarship, a candidate must:

- Be a student involved in the football program as a player, cheer-leader, manager, trainer or statistician.
- Be a student in the graduating class of a high school, who is a citizen of the United States of America and resident of the State of Michigan.
- Have outstanding personal character and behavior as a leader in their high school community.
- Be a student of outstanding merit, who shows an appreciation of the value of education and is willing to work to achieve success.
- Rank in the upper one quarter of their class and have test scores (American College Test, ACT) that indicate academic success.
- Have on record a letter of acceptance from an accredited college or university.

What are the Policies of the MHSFCA Scholarship Program?

- Must be enrolled as a full time student in an accredited college or university.
- Scholarships are for one year only and are not renewable.
- The following merit standards will be used:
Scholarship and Testing 350 points
Leadership & Character 400 points

How Does A Candidate Apply?

- Obtain a Standard MHSFCA Scholarship Application Form, available from the MHSFCA Scholarship Chair. In addition to the application form, the following are essential in the order indicated:
 - Statement of not more than 300 words prepared by the candidate summarizing school and out-of-school activities, accomplishments and a statement of the applicant's objective for further education.
 - A transcript of the student's high school educational record from ninth grade through the first semester of their senior year, including class rank, total number of students in their senior class, grade point average, and ACT scores.
 - A comprehensive letter of recommendation covering leadership, character and scholarship from at least three people.

When Must Application be Submitted?

All Applications must be submitted to the MHSFCA Scholarship Committee before March 1 of their senior year.

Candidates will be advised of the decision of the Scholarship Committee before May 1.

Alliance Award

MHSFCA Youth Football Committee

The MHSFCA Alliance Award is offered as a token of appreciation to person(s) having made a long-term commitment to youth football. Individuals that actively promote youth football, simply for a love of the game, and have done so for a long period of time, are excellent candidates. Coaches can be nominated if their contributions expand far beyond personal team(s). Won/loss records are of no concern. As a rule of thumb, persons that have affected the most youngsters over the longest period of time will receive the most consideration through this process. To date, all recipients of this award have been involved with youth football more than 20 years. Volunteers will be given additional consideration.

The nomination process will be completed when this form and accompanying letter are received on or prior to April 1 of the upcoming year. Please mail to: Bill Hollenbeck, MHSFCA, 6856 Wheeler Road, Maple City, MI 49664.

MaxPreps.com/MHSFCA School Service Award Fraser Reading Program Nominations

The Fraser Community Service Award is a community service project in which student athletes serve as role models to elementary students. Student-athletes are matched with elementary teachers and their students. The high school football players then attend the elementary classroom during one class period per week, at least during the football season and read to the students.

The 2007 Fraser Award plaques will be presented at the MHSFCA All Star Football Game. In addition to the plaque awarded to the winning programs, the MHSFCA will present a grant to the elementary school/s designated by the recipient. The grant will be used to purchase books to expand student access to reading materials.

MaxPreps.com has pledged to fund the Fraser Community Service Award. 40% of Michigan schools took advantage of MaxPreps.com's free web services for high school coaches as measured by the number of schools who entered their stats at MaxPreps in 2008. In recognition of that level of participation, MaxPreps.com has donated \$1,000 to fund the awards for 2008. MaxPreps.com will pledge up to an additional \$2,000 in future years as we increase our participation.

Future Teacher/Coaches Data Base

By Vince Leveille, Vassar H.S.

I am sure you are aware of the teacher shortage problem in our state. Finding a teacher that is willing to coach football is even more difficult and is getting worse every year. Nearly every head football coach has a player or two attending college for teaching.

We have developed a database of teacher education students that played football and are willing to coach upon graduation. I believe it would be much easier for administrators looking for teachers to hire a coach if they had a list of qualified applicants.

Below is an information sheet. Please copy this as needed and give it to any of your former players that are in a teacher education program in college and are interested in coaching upon graduation. They do not have to be seniors to get their name in the database. I would like to keep track of freshmen through seniors. The success of this program is dependent upon the coaches getting the information sheet to prospective teacher/coaches.

The second half of this concept is to get the information to the hiring person. If your school has a teaching position open and would like a list of future football coaches, they need to contact me and I will provide them with the information. Please notify your hiring person that there is a list available to them.

If a school employee would like a list of names, have them contact Vince Leveille by email at vleveille@vassar.k12.mi.us or by phone at 989-823-8534 (email would be easier).
