SERVING MICHIGAN'S COACHES

March 2010

2010 Crowley Award Winner Richard Harris, Harrison

By Larry Sellers, Crowley Award Chair

Jim Crowley, in whose memory this award is named, was the head coach at Jackson St. John and Jackson Lumen Christi High Schools for seventeen years. His teams compiled a record of 127-34-6, had four unbeaten seasons and Class B State Championships in 1977 and '79. Jim served the MHSFCA as the Chairman of the Public Relations Committee. Jim Crowley stressed having fun, working hard, and being dedicated to his young athletes. He often said, "If you don't have fun playing football, it isn't worth the time and effort you put into it." Coach Crowley's young men took that bit of philosophy to heart and had a great deal of

success, not only on the football field but later in life as well. Coach Crowley was shot and killed in his own driveway just two months after the 1979 State football finals.

Jim Crowley was a good football coach and a valuable member of the MHSFCA. We remember that and recognize Jim's contributions to football in Michigan with our annual award in his name.

NOTES

W.M.U

Welcome to Kalamazoo/ Invite to Practices

We would like to take this opportunity to tell the MHSFCA how excited we, at Western Michigan University, are that you are moving your Coaches Clinic to Kalamazoo. We know that the facilities and the service at the Radisson will be great since our football team headquarters there on Friday nights before our home football games. You will enjoy the downtown area of Kalamazoo. It is very nice.

We are in the process of putting together a coaching presentation and demonstration for the MHSFCA in our indoor facility, the Seeley Center. We are thrilled to be involved.

Our Spring Training will begin on Thursday, March 18. We plan on practicing Tuesday, Thursday, and Saturday mornings until we conclude with our Spring Game on April 17. Coaches are invited to attend our practices. As usual, we place no barriers on you, so you can stand alongside us if you so desire. If you are interested in viewing tape on something in particular, please email me and let me know so that we can have that available for you. We hope to see you at the Seeley Center.

Bill Cubit, Head Coach
Western Michigan University

Scholarship Thank You

Thank you for awarding me the MHSFCA Scholarship. I am very honored to have received this award - and I really enjoyed the game!

Crowley Award 2010 • Dick Harris, Harrison High School

A graduate of Flint Central High School, Dick Harris started teaching at his alma mater in 1969 he also coached football and baseball. In 1971 he moved to Mt. Pleasant high school and in 1973 he took the head football coaching job at Harrison. He spent 37 years at Harrison High School where he was the head football coach for 35 years, student government co-advisor for 22 years, coached girls track and announced boys basketball games.

Highlights of Coach Harris' career at Harrison included four undefeated football teams, seven Jack Pine Conference Coach of the Year Awards, six state playoff appearances and five MHSFCA Regional Coach of the Year Awards.

Dick was a co-founder of the Jack Pine Conference Football Coaches Association patterning it after the state association. He has served the MHSFCA as a director and as President in 1983. Dick continues to be an active member of the Past Presidents' Committee. He was inducted into the MHSFCA Hall of Fame in 2009.

A highly deserving recipient of the Jim Crowley Award, Dick Harris coached for all the right reasons. It was all

about his athletes and students. He taught and coached with passion and dedicated his career to the development of outstanding young people in the Harrison community. Since his arrival in 1973, Dick has positively touched the lives of most everyone in Harrison. In a town where poverty and broken homes are not uncommon, Richard Harris has been a constant. He has been the father that kids didn't have, the mentor that they needed and the role model that kids looked up to when times were tough.

The Harris family includes Dick's wife of 37 years, Pat. They have two daughters, Suzanne, who is working on a masters in music education at Indiana University and Lisa, an esthetician in the Traverse City area.

Fran Herrington Award • Women of the Year

Lora Taylor & Donna Cisco

By Steve Robb, Milan

Lora Taylor, Onekama

Lora's love of football began as a Jackson High School cheerleader. Later, she married Jim Taylor and they moved on to CMU.

Jim started the football program in 1964 at Onekama High School, and Lora became the cheerleading coach and did that for 24 years. She would sit in the stands and explain first downs, penalties and play-calling to the new football fans!

In 1966, Lora organized the first Homecoming Game at Onekama. They had never had a bonfire, a parade, a dance, or a queen!

As time went on, Lora organized the post-season team banquet, post-game activities and a Parent's Day game, among many other duties. She missed one game in 47 years at Onekama.

The Fran Herrington Award is presented in the memory of the late wife of John Herrington from Farmington Hills Harrison High School. Fran was a tremendous part of the Harrison football program and school community who gave tirelessly of her time and energy. She helped in creating a successful football program in her community, and she also worked on a number of projects for the MHSFCA.

This annual MHSFCA award recognizes and honors those women who have contributed their time, energy and expertise to promoting high school football in their community and in the state of Michigan.

Lora has a son, Jim, and a daughter Terri. Her three grandsons play football and her granddaughter is a cheerleader. She said, "My husband, my family and football are the most important things in my life."

Donna Cisco, Monroe Jefferson

A graduate of Coldwater High School, Donna received a Bachelor of Science degree from EMU. Donna and her husband, Marc, landed at Monroe Jefferson in the early 1960's and are still going strong!

Donna was a cheerleading advisor and added Thursday pre-game meals for the varsity team to her duties. Then came post-game meals for the coaches and their families. This led to being the meal coordinator at football camp and so on.

Donna saw a need for filming the middle school games, and began doing that for the coaching staff. She also did some Freshmen games, and Marc eventually promoted her to filming all of the Varsity and JV games at Jefferson. In the past 27 years she has only missed one JV game.

Donna retired from teaching in 1997 and when not filming, spends her time keeping track of her four children, seven grandchildren and one great grandchild.

Donna said, "Football coaches are a very unique group of teachers, husbands and fathers who are seldom home in the fall. My involvement in football began as a way to share in my husband's life and the players and sport he loved so much."

38th Annual Clinic in Battle Creek

Al Slamer, Clinic Committee Chairman, MHSFCA Past President

The 38th annual MHSFCA Clinic took place in Battle Creek on January 21st, 22nd and 23rd. More than 1200 coaches attended the clinic that began on Thursday night with our Kickoff speaker, Brett Bielema, the Head Coach from the University of Wisconsin. Thursday evening has become a big night for our clinic with a full slate of speakers and all of our exhibitors in place in the Kellogg Arena.

Paul Alexander from the Cincinnati Bengals and the Defensive Staff from Michigan State University were some of our Thursday night highlight speakers with both of them doing two hour presentations on their specialties. Jim Collins, the Head Coach at Saginaw Valley State University, outlined his highly successful Spread Offense and Christian Vitale, from Waterford Mott, discussed special teams.

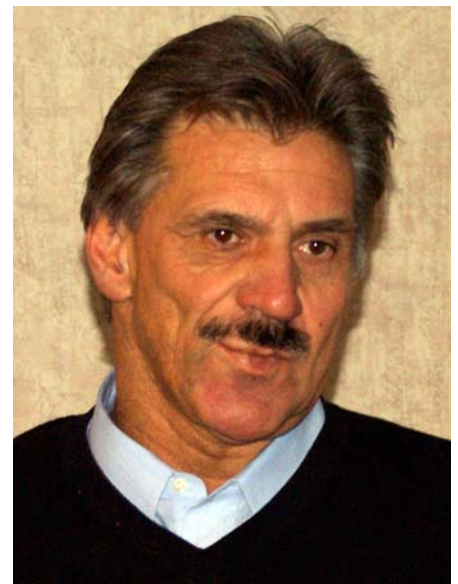

Friday morning began with Dave Wannstedt's presentation on "Program Development". The highly successful University of Pittsburgh (and Super Bowl) Coach flew in on Thursday night and spent the whole evening with Michigan and Indiana high school coaches sharing football stories. This part of the clinic was a great informal addition to our usual football experience. After Coach Wannstedt's speech on Friday, the clinic kicked into high gear. Rich Rodriguez and the entire University of Michigan staff, the Center Grove, Indiana staff, Filip Flipovic (former NFL kicker) and Danny Hope, the Head Coach at the University of Purdue got things rolling out of the gate. Many great high school coaches were featured during the Friday afternoon mini-clinic sessions. Some of those coaches doing presentations were Mill Coleman from Farmington Hills Harrison, Willie Snead from Muskegon Heights, Noel Dean from Lowell, Andrew Pratley from Ogemaw Heights, Scott Farley from Leslie and Rich Hulkow - the Detroit Lions "High School Coach of the Year" at Marshall who has now moved on to Olivet College. Additionally, we brought in several midwest college staffs to address specific program needs. Keith Otterbein, the Head Coach at Hillsdale College went in depth with the inside zone, Herb Haygood and Andre Griffin from Saginaw Valley detailed techniques at offensive skilled positions and the University of Toledo spent time on quarterback development and defensive back play. Leadership through Community Service was a timely topic as was the session on strength and conditioning for the high school football player. As you can see, Friday afternoon had something for everyone.

The annual Awards Banquet honoring the great coaches in Michigan began after the Friday afternoon sessions. This is an event that no coach should miss. A packed house of more than 450 attended honoring the Regional Coaches of the Year, the Assistant Coaches of the Year and the State Coaches of the Year. Also being honored were those who have worked in a number of programs behind the scenes for many years. Noel Dean from Lowell was one of those who was honored for his Community Service. Coach Dean and his community raised over \$400,000 for cancer research. Lowell and Coach Noel Dean should be commended for their amazing efforts! The highlight of the evening is the presentation of the "Jim Crowley Award" which is the highest honor a coach in the MHSFCA can receive. Dick Harris from Harrison was this year's recipient. He spoke about the great history of the Michigan High School Football Coaches Association. Congratulations to Coach Harris!

Friday evening in the Kellogg Arena featured Mark Dantonio, the Head Coach at Michigan State University, Dan Enos, the new Head Coach at Central Michigan University and Matt Mitchell, the new Head Coach at Grand Valley State University as this year's keynotes. The social time in the arena after the keynotes is always a great closing event as coaches talk football late into the evening.

The Saturday morning "Hard Core x's and o's" featured the MIAA championship staff of Trine University and Western Michigan University. Both staffs gave detailed talks on both offense and defense.

The 2010 clinic is the end of an era. Since 1981 the clinic has been held at the McCamly Plaza Hotel and the Kellogg Arena in Battle Creek. The Clinic Committee and the Board of Directors has made the decision to move the clinic to the Radisson in Kalamazoo. The new Hotel site is beautiful and their facilities offer us the opportunity to upgrade the clinic and the entire event experience. All coaches will be able to stay onsite adding to the experience of every coach and staff. Battle Creek has been a great site but this new spot offers an upgraded experience at a cost that all our coaches will enjoy. **Have a great season and we will see you in Kalamazoo in 2011!**

The Wounded Warrior Program

<http://www.woundedwarriorproject.org>

<http://wwpproudsupporter.kintera.org/faf/donorReg/donorPledge.asp?ievent=308932&lis=1&kntae308932=9B57C9B7C1774B38A5E97A0B938E80C1&supId=280538947>

I would like to take a moment to invite your football program to be involved in a tremendous community service project. Each month, hundreds and hundreds of soldiers return from the theatre of war with injuries from serving our country. Some of these injuries can be seen, many cannot. Our men and women of service have extended so much for us, we have created a way to say thank you. Last year, we dedicated our season to the Wounded Warrior Program (WWP). Working with our biggest rivalry school, we were able to raise over \$9000 last year. Repeating that would be a very difficult task with the economy the way it is. Instead, we have decided to create a nationwide project, and a goal to raise \$100,000 to donate to the WWP. This organization helps wounded veterans from the time they finish surgery all the way

through to their daily life out of the service. They need our help, they need our awareness, and they need our thanks. This is an easy project to sell to your community, it is a great way for the young men in your program to extend thanks to our soldiers who have given so much to us.

We raised over \$1000 at our game just by passing buckets. Our JV and Freshmen players carried the buckets through the crowd at the varsity game, and our booster club parents counted it. I hope that you will seize this opportunity to say thank you to our men and women of service. I have attached the WWP website, and all donations will go directly to them. As a football community, we have a great avenue to extend to get our communities involved.

Coaches - We are looking for 100 schools to donate \$1000 to the Wounded Warrior Project. Please consider joining us.

The Key Things to making a WWP dedication successful in a Football Program:

- Educate the coaches, administration and parents via email and links to the WWP website
- Have a local wounded veteran who has benefited from WWP come speak to the players at a team practice
- Consider Helmet Stickers and or Patches so WWP stays visible
- Create posters (the model already exists) to hang up in the community
- Let your local elected officials know what your are doing with WWP so their office can support you
- Pick a game that will be dedicated to WWP and have the Freshman/JV pass buckets for collection at half-time
- Have your announcer read a script (already written) re: WWP at each home game leading up to your dedication game
- Contact your local press/media for coverage
- Place a full page WWP dedication (using your poster above) in the Football Program
- Consider soliciting sponsorships from key businesses in your community (a sponsor form already exists)

If you do these 10 things you will be amazed at how the support for WWP and your Football Program will feed of itself without a lot of additional effort.

Please contact me directly if you are interested or have questions.

Thank you,

Managing Athletic Injuries: A New Michigan Law. What Coaches Need to Know!

Michigan Public Act 54 of 2006. Establishes licensure for athletic trainers and restricts the practice of athletic training to licensed individuals. The rules established for this law will become effective this year, 2010, unless otherwise specified.

What the Law Says:

333.17902 Practice of athletic training; license required; use of titles.

Sec. 17902.

(1) Beginning on the effective date of the rules promulgated under section 17904, an individual shall not engage in the practice of athletic training unless licensed under this part or otherwise authorized to engage in the practice of athletic training...

(2) Subsection (1) does not prohibit an individual licensed under any other part or any other act from performing activities that are considered the practice of athletic training so long as those activities are within the individual's scope of practice and the individual does not use the titles protected under subsection (3).

333.17901 Definitions.

Sec. 17901. (1) As used in this part:

(b) "Practice of athletic training" means the treatment of an individual for risk management and injury prevention, the clinical evaluation and assessment of an individual for an injury or illness, or both, the immediate care and treatment of an individual for an injury or illness, or both, and the rehabilitation and reconditioning of an individual's injury or illness, or both, as long as those activities are within the rules promulgated under section 17904 and performed under the direction and supervision of an individual licensed under part 170 or 175.

In the Rules:

R 338.1373 Secondary school student; prohibit practicing athletic training.

Rule 73. (1) A secondary school student shall not engage in the practice of athletic training, as defined in section 17901 of the code, except as otherwise provided in this rule.

A secondary school student may participate in athletic training activities only when the activities are performed under the direct supervision of a licensed athletic trainer, as defined...

A licensed athletic trainer shall ensure that a secondary school student who is under his or her supervision does not perform those functions that require

professional judgment or discretion in the practice of athletic training. This rule shall take effect January 1, 2011.

The Michigan Athletic Trainer Law:

[http://www.legislature.mi.gov/\(S\(dzw2fci143ckqk45pweoadji\)\)/mileg.aspx?page=getObject&objectName=mcl-368-1978-15-179](http://www.legislature.mi.gov/(S(dzw2fci143ckqk45pweoadji))/mileg.aspx?page=getObject&objectName=mcl-368-1978-15-179).

Rules Established by the Board of Athletic Trainers:

<http://www.state.mi.us/orr/emi/rules.asp?type=dept&id=CH&subId=2008%2D052+CH&subCat=Revision+Text>

Board of Athletic Trainers Website, Michigan Department of Community Health:

http://www.michigan.gov/mdch/0,1607,7-132-27417_27529_45355---,00.html

What this means for coaches is:

1. Anybody calling themselves, acting as, or providing services of a Athletic Trainer must be licensed by the state.
2. This does not keep Doctors from doctoring, nor First Aiders from giving first aid.
3. The practice of Athletic Training is regulated. Exactly what acts by unlicensed individuals will be viewed as illegal will be a matter for local prosecutors and courts to work out.
4. Most High School Football Coaches are way too busy to have to defend themselves in court.

Coaches would be wise to do two things: First, have a chat with your boss, A.D., and /or Principal, and have some sort of written policy over who does what. Secondly, guys who will not have a licensed trainer on the field with them ALL the time might consider something like Sport Safety Training from the American Red Cross. This will not make them trainers, but will teach them what they can, and can not, do.

Coaches, Help Us Defeat Tuberous Sclerosis!

4th Annual Tackling TS Golf Classic

June 26th, 2010 @ Elmbrook Golf Club in beautiful Traverse City, Michigan

What is Tuberous Sclerosis (TS)?

Tuberous sclerosis is a genetic disorder that causes tumors to form in many different organs, primarily in the brain, eyes, heart, kidney, skin and lungs. You will see it referred to both as tuberous sclerosis (TS) and tuberous sclerosis complex (TSC). The true prevalence of TS is unknown, but its incidence has recently been estimated to be 1 in 6,000 live births. This means approximately 50,000 individuals in the United States and more than 1 million worldwide have TSC. It occurs in both sexes and in all races and ethnic groups.

Tuberous sclerosis is characterized by lesions of the skin and central nervous system, tumor growth and seizures. The disease affects some people severely, while others are so mildly affected that it often goes undiagnosed. Some people with tuberous sclerosis experience developmental delay, mental retardation and autism.

REGISTRATIONS WILL BE TAKEN ON A FIRST-COME FIRST-SERVE BASIS.

Once the slots are filled, registration is closed.

MHSFCA/MaxPreps.com Community Service Reading Award

The Community Service Reading Award is a community service project in which student athletes serve as role models to elementary students. Student-athletes are matched with elementary teachers and their students. The high school football players then attend the elementary classroom during one class period per week, at least during the football season and read to the students.

The MHSFCA presents a grant to the elementary school/s that participated in the project. The grant is to be used to purchase books to expand student access to reading materials.

MaxPreps.com has pledged to fund the Community Service Reading Award. The amount is dependent on the number of schools who enter their stats at MaxPreps. In 2009 42% of schools entered stats, consequently, Maxpreps provided funding for two \$500 awards.

Send nominations by December 1 to:

Larry Merx
39 Judd Rd., Milan, MI 48160

2010 MHSFCA Scholarships

The MHSFCA is proud to sponsor two different scholarships for its members and their students. If you have an athlete or other member of your program who you believe is deserving, please make sure that the proper forms and/or paperwork are completed. The deadline for scholarship applications is March 1.

Competitive Scholarship

These scholarships are for those outstanding students who are involved in your football programs. There are 12 scholarships awarded statewide. In addition to players, this could include managers, statisticians, student trainers, football cheerleaders, or any others that are part of your program. All candidates need to fill out a scholarship form and return it according to the directions. These awards are based on class rank, ACT score, GPA, references and a student biography. Successful candidates in the past have generally had a GPA of 3.5 or higher and an ACT score of 25 or higher.

If you have such a deserving student please give the application form to them to complete.

Deadline for Application
March 15

Terry Rose Memorial Scholarship

This \$1000 scholarship is available to the children of MHSFCA members. The only requirement is that the son or daughter is planning to attend an institution of higher learning next year and that their parent is a member of the Michigan High School Football Coaches Association. You should send one form for each child that is eligible. This scholarship is drawn by lottery at the Hall of Fame Banquet in Ann Arbor in the spring.

MHSFCA Scholarship

The Michigan High School Football Coaches Scholarship is intended to reward personal excellence in school and community. Students involved in a football program may apply for this scholarship. The scholarship has a monetary value of \$500. To be considered for this scholarship your head football coach must be a member of the Michigan High School Football Coaches Association. Applicants receive consideration for the scholarship on the basis of: 1. Academic excellence, 2. ACT scores, 3. Demonstrated service to school, community and church, 4. Evidenced leadership ability, 5. Citizenship.

Who is Eligible to Apply?

In order to be considered for a scholarship, a candidate must:

- Be a student involved in the football program as a player, cheer-leader, manager, trainer or statistician.
- Be a student in the graduating class of a high school, who is a citizen of the United States of America and resident of the State of Michigan.
- Have outstanding personal character and behavior as a leader in their high school community.
- Be a student of outstanding merit, who shows an appreciation of the value of education and is willing to work to achieve success.
- Rank in the upper one quarter of their class and have test scores (American College Test, ACT) that indicate academic success.
- Have on record a letter of acceptance from an accredited college or university.

What are the Policies of the MHSFCA Scholarship Program?

- Must be enrolled as a full time student in an accredited college or university.
- Scholarships are for one year only and are not renewable.
- The following merit standards will be used:
Scholarship and Testing 350 points
Leadership & Character 400 points

How Does A Candidate Apply?

- Obtain a Standard MHSFCA Scholarship Application Form, available from the MHSFCA Scholarship Chair. In addition to the application form, the following are essential in the order indicated:
 - Statement of not more than 300 words prepared by the candidate summarizing school and out-of-school activities, accomplishments and a statement of the applicant's objective for further education.
 - A transcript of the student's high school educational record from ninth grade through the first semester of their senior year, including class rank, total number of students in their senior class, grade point average, and ACT scores.
 - A comprehensive letter of recommendation covering leadership, character and scholarship from at least three people.

When Must Application be Submitted?

All Applications must be submitted to the MHSFCA Scholarship Committee before March 1 of their senior year.

Candidates will be advised of the decision of the Scholarship Committee before May 1.

Alliance Award

MHSFCA Youth Football Committee

The MHSFCA Alliance Award is offered as a token of appreciation to person(s) having made a long-term commitment to youth football. Individuals that actively promote youth football, simply for a love of the game, and have done so for a long period of time, are excellent candidates. Coaches can be nominated if their contributions expand far beyond personal team(s). Won/loss records are of no concern. As a rule of thumb, persons that have affected the most youngsters over the longest period of time will receive the most consideration through this process. To date, all recipients of this award have been involved with youth football more than 20 years. Volunteers will be given additional consideration.

The nomination process will be completed when this form and accompanying letter are received on or prior to April 1 of the upcoming year. Please mail to: Bill Hollenbeck, MHSFCA, 6856 Wheeler Road, Maple City, MI 49664.

Future Teacher/Coaches Data Base

By Vince Leveille, Vassar H.S.

I am sure you are aware of the teacher shortage problem in our state. Finding a teacher that is willing to coach football is even more difficult and is getting worse every year. Nearly every head football coach has a player or two attending college for teaching.

We have developed a database of teacher education students that played football and are willing to coach upon graduation. I believe it would be much easier for administrators looking for teachers to hire a coach if they had a list of qualified applicants.

Below is an information sheet. Please copy this as needed and give it to any of your former players that are in a teacher education program in college and are interested in coaching upon graduation. They do not have to be seniors to get their name in the database. I would like to keep track of freshmen through seniors. The success of this program is dependent upon the coaches getting the information sheet to prospective teacher/coaches.

The second half of this concept is to get the information to the hiring person. If your school has a teaching position open and would like a list of future football coaches, they need to contact me and I will provide them with the information. Please notify your hiring person that there is a list available to them.

If a school employee would like a list of names, have them contact Vince Leveille by email at vleveille@vassar.k12.mi.us or by phone at 989-823-8534 (email would be easier).
