May 2010

## New Venue, New Experience, Outstanding Evening. 2010 Hall of Fame Banquet and Induction

*By Jack Carlson, Hall of Fame Chair*

Hall of Fame Chair, Chuck Rittner; University of Michigan head coach, Rich Rodriguez; Historian, Jack Carlson.

**T**he University of Michigan has been the host for this extraordinary evening for 28 years. In 1982 the induction took place at the Track and Tennis Building. Then in 1983 Crisler Arena was the venue. From 1983 through 2009 the location switched from Crisler Arena to the Track and Field Building depending on what other activities the university was holding at the time.

A change was made and this year the Four Points by Sheraton hosted the event. This is truly an exceptional venue. From the entry, the set-up of the dining area, the ambiance in which all was presented, to the excellent food that was enjoyed by all, this new venue, attended by close to 400 families, friends, and guests, made the evening an extraordinary event for everyone.

## NOTES

### Thank You • Hall of Fame

I just want to take a moment to thank the coaches association for the wonderful night. I hadn't been to the Hall of Fame ceremony in a number of years and was very impressed. It is obviously a well planned affair and something that Jack Carlson and Chuck Ritter must go to great steps to insure that it is a special night.

Jack did a great job in organizing and emc-ing the whole evening. As a recipient that night let me personally thank the association for a memorable and enjoyable evening. This is a night that I and the others will never forget. It made me feel very "special". Thanks again.

# Birth of the MHSFCA and Football Playoffs

By Dick Harris, Harrison

*As told at the MHSFCA Clinic, January 2010 \*With collaboration from:  
Past President Bob Scheloske, Past President Jeff Smith and Hall of Fame Chairman and Historian  
Jack Carlson.*

In early March 1972 I received a call from "Dutch" Schrottenboer. He asked me to go to a meeting with him in East Lansing. He told me that a group of football coaches from around the state were attempting to form a state football coaches association. That meeting took place on Friday, March 24th, at East Lansing High School. The MHSFCA was officially founded and eight objectives were established. I would like to share four of those objectives with you.

1. **To work for the betterment and growth of football in Michigan.**
2. **To promote the highest possible professional standards in football coaching.**
3. **To promote and protect the best possible conditions for the total development of the young men for whom we as football coaches are responsible.**
4. **To cooperate with the state athletic office for the betterment of football in the State of Michigan.**

The top item on the agenda of the new MHSFCA was to work to establish a state football playoff.

In 1972 football was the only sport sponsored by the Michigan High School Athletic Association (MHSAA) that did not have a playoff. When I left that meeting I knew that I wanted to be a part of the MHSFCA and when I took the head football job in Harrison I immediately asked to have my name put on the ballot to be a regional director and I was fortunate to get elected.

In 1972 the new association put together a plan to hold their first annual clinic at Jackson Parkside High School. Their plan was to feature high school coaches as the main speakers rather than college coaches. The Association also presented their first MHSFCA Coach of the Year awards. The first Board of Director's election also took place at that clinic. The Association also kept working on a playoff system. The first president of the MHSFCA was David Driscoll the head football coach at Jackson Park Side High School and he was the only president to serve two terms. I should mention that the first eight clinics were held at high schools because the Association did not have enough money to be able to host it at a hotel.

In 1973 the Board of Directors established Honorary Membership awards and they were presented for the first time at the 1974 clinic. This is one of the most important honors we give because we all have people in our communities that donate their time and talent to our

programs and they deserve to be recognized.

The main focus of the Association was a football playoff and that was something the MHSAA was not very interested in. As our Association attempted to convince the MHSAA that a playoff would be well attended and pay for itself the MHSAA still remained reluctant. Finally we convinced the MHSAA to send a representative to one of our Board of Directors meeting so we could present our side of the of the playoff issue. The only answer we got as to why we couldn't have a playoff was that football was special.

## The main issue remained playoffs.

In the early years of the Association our Summer meeting was held at the Remington Hunt Club outside of Alpena. One year, just before the meeting was to begin, Curt Smith showed up. I recognized him because he had been a teammate of mine on the Flint Junior College baseball team. I asked him why he was there and he said he was the sports caster at the Alpena television station and that he had heard we were meeting here and that he would like to cover the meeting and report on it on his late sports report. President Driscoll gave him permission so he set up his camera and went to work. During the playoff discussion Dutch Schrottenboer mentioned that while he was in Lansing to discuss a possible playoff with the MHSAA, the hockey coaches were there attempting to get sanctioned as an MHSAA sport and that they had brought a lawyer with them. He said, "I have since heard that hockey is now an MHSAA sport." Jokingly, one of the Directors said maybe we should try litigation to get a playoff. That night when Curt Smith did his sports report in Alpena he said "It looks like the MHSFCA is going to use litigation to get a playoff." That word spread across the state and it was not long until the MHSFCA and the MHSAA were working on a playoff system.

Together the MHSFCA and MHSAA put together a point system to determine what teams would qualify

## Birth of the MHSFCA and Football Playoffs

*Continued From Page 7*

for the playoffs. Statistics were kept in 1973 to determine who would qualify if a playoff was held and to work out any problems that were found in the system. A meeting was held at the 1974 clinic and the results were announced. Attending that meeting was Coach George Ihler from Saginaw Arthur Hill High School. His 1973 team had just won the Saginaw Valley League championship and the mythical class A state title with a 9 and 0 record. His team had scored 443 points during the season and been un-scored on. He was quite upset when he found out that 9 and 0 East Lansing High School, and not his team, would have qualified for the playoff under the new system. A heated discussion began and finally President Schrottenboer said, "Coach did you ever stop and think that maybe you didn't have the best team." His point being, that is why we need a playoff system.

In 1974 the official paper playoff was held and the first actual playoff took place in 1975. In 1975 the state was divided into four regions and one team in class A, B, C and D were chosen from each region. With only four teams in each class in the playoffs the tournament began with the semi-final round. In 1975 Hudson High School set the national record for consecutive wins when they beat Kalamazoo Hackett High School in the semi-final round. The next week in the first Class C final game, held at Perry Shorts Stadium on the campus of Central Michigan University, Hudson's 72 game winning streak was snapped when they were defeated by Ishpeming. In 1976 Hudson again went 9 and 0 in the regular season but didn't have enough points to qualify for the tournament. Since that time the tournament has been expanded several times and as you know we now have 256 teams in the tournament.

## 2010 Hall of Fame Banquet and Induction

*Continued from page 1*

The evening began with MHSFCA Executive Director Larry Merx giving an overview of the association and highlighting the new and exciting "Wall of Fame" and the "Virtual Hall of Fame" which will be, in the very near future, displayed and available to all Michigan High School Football Fans. The "Wall of Fame" will be permanently displayed at the University of Michigan Football Stadium, "The Big House" and the "Virtual Hall of Fame," along with many other aspects of the association, will be up and running on the MHSFCA web site very, very soon.

Steve Wilson, President, MHSFCA welcomed those in attendance: "On behalf of the Michigan High School Football Coaches Association, I would like to welcome you to the 28th Annual Hall of Fame Banquet. ...being enshrined tonight and joining an elite group of some of the most talented and devoted men that have ever coached the game of football. ...because of their love for the game and the impact that they have had on the hundreds of young men they have coached. ...a special welcome to the families of our inductees. ...these great men would not be here tonight without your love, understanding, and support. I invite you to sit back and relax and have a wonderful evening as we honor these outstanding coaches."

From the inductees:

Coach Dave Larkin, Jenison: "A great opportunity to build lasting relationships with the young men I've coached, the coaches on my staff, and other coaches I've met throughout my career."

Coach Paul M. Engel, Greenville/ Forest Hills Eastern: "My family has recognized my love of the game and allowed me to enjoy competing, being responsible, living honestly, and being someone that the student athletes can look to as a teacher and coach these 38 years."

Coach Doug Throop, Grandville: "I chose to coach because of my admiration of coaches who coached me. Coaching football brought me satisfaction because high school football has great educational value."

Coach Allen Slamer, Holt/ Battle Creek Central: "Coaching is teaching in its purest form. We live for those moments when the team reaches the point when everyone is willing to commit and dedicate themselves unselfishly to each other."

Coach Peter R. MacKenzie, Macomb Dakota: "I wanted to be an influence and mentor in building boys into men. Being part of a team has taught me good morals, camaraderie, and given me a solid foundation to handle life. I wanted to pass this experience onto young men..."

This was the 28th Annual Induction. Including this year's inductees, the MHSFCA has inducted 629 of the finest high school football coaches in the state of Michigan into the Hall of fame.

The first induction took place in 1982 with the Inaugural Class being the Original Board of Directors. Each induction has a personality all its own, and once again, this year was no exception. But over the years, many things remain constant. One constant is that the inductees are men of achievement and integrity, who give credit to their families, their players, their fellow coaches, and their communities for their success. Another constant is the dedication of the members of the association who take care of the many details that go into organizing, maintaining, and setting up for the banquet. These are the members who, behind the scenes, give of their time and energy,

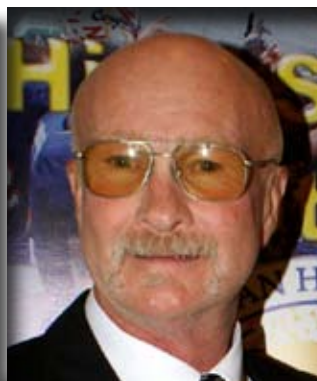

with no thanks needed, to make this an exceptional evening for the inductees, their families and friends. Without them, this evening would not be the outstanding evening that it is.

Over the past 27 years, guest speakers have included Woody Hayes, Duffy Daugherty, and Ara Parsegian. The past few years, University of Michigan head football coaches of the Michigan Wolverines, Bo Schembechler, Gary Moeller, Lloyd Carr, and now Rich Rodriguez, have been the guest speakers, as well as The University of Michigan, being our hosts for the evening. This great tradition is a highlight to the many that were in attendance at the induction ceremony. Coach Rodriguez is extremely proud to be part of this extraordinary evening and assured those in attendance, this tradition as well as the winning tradition of Michigan football will continue.

Prior to the start of the evening's festivities a group picture of all inductees with Coach Rodriguez was taken. This is a highlight of the evening as many family and friends gathered to get that one special picture and is appreciated by all.

Fourteen outstanding individuals were honored. Their credentials will be enshrined forever in the MHSFCA Hall of Fame. They coached for over a combined 435 years, won more than 2,695 football games, but most of all, touched the lives of countless individuals. The inductees expressed their love of coaching and their love of football. They recognized those who have made it possible for them to do what they love to do – their families.

The 28th Annual MHSFCA Hall of Fame Induction and Banquet was once again a truly remarkable evening. Congratulations to the Inductees: The Class of 2010.

## ACCURATE CONTROL LACING

**174% MORE GRIPABLE** than flat laces, the Accurate Control Lacing System (ACL)\* is the most advanced football lace ever introduced. We've replaced traditional laces with thick, pebbled composite leather laces. This provides a softer, more gripable feel which translates to better control.
