If your team does a reading program in one or more of your elementary schools, be sure to submit an application for this award!

CBS MaxPreps.com/MHSFCA Community Service Reading Award

The CBS MaxPreps/MHSFCA Community Service Reading Program is a community service project in which high school student athletes are matched-up with elementary teachers and their students. The high school football players sit-in on the elementary classroom one class period per week, at least during the football season and read to the students.

CBS MaxPreps.com has pledged to fund the Community Service Reading Award. The rate of funding to be based on the percentage of Michigan's football programs that regularly participate in the company's free online stats management and communications services. In the 2009 season, 40% of our teams submitted stats to CBS MaxPreps. This provided us with two \$500 dollar grants for award winning programs.

The grants, to the elementary schools that participated in the reading programs are for the purchase of library books.

Steve Spicer Leadership Award

The Steve Spicer Memorial Team Leadership Award was inaugurated in 1999 by the Michigan High School Football Coaches Association. The award honors high schools throughout the State of Michigan who exemplify the legacy left to us by Steve Spicer, the former head football coach at Fowler High School. Steve was an outstanding coach, teacher, husband, father and community leader before his untimely battle with cancer took him from us. Steve who is a member of our Football Coaches Hall of Fame, had an outstanding coaching record along with capturing a state football title while at Fowler. More importantly however, is the fact that he was a great role model for the players he coached and the students he taught.

Nominations Due 15 November should be sent to:

2011 All Star Game Nominations

Nomination Forms will be mailed separately to head coaches

***Selection Committees will use MaxPreps.com for your player's stats. Enter them at MaxPreps.com.**

Game Date TBD (Late June or early July), 2011

Class A schools may nominate three (3) players

Class B schools may nominate two (2) players

Class C & D schools may nominate one (1) player

Only one player per school may be selected to play in the All Star Game.

When nominating players for the All Star Game coaches should consider the following guidelines:

1. Only nominate players that you feel have the ability to play with the best in the state.
2. A player's "character" is essential. Nominate players who will reflect positively on your school and on your community.
3. BEFORE NOMINATING A PLAYER, check with him to be sure that, if selected, he will play in the game.
4. Do NOT nominate players who are considering the service academies.

If you have a player(s) deserving of this honor please take the time to fill out the nomination form (mailed in a separate package) and return it to Gus Kapolka before **December 15**. *Do not send video with the nomination form! *Hudl highlight video can be "shared" with All Star Coaches.

Players selected to play in the All Star Game will be required to submit all materials relative to participation (physicals, program materials, information sheets, etc.), by **MARCH 15** or they may be replaced by an alternate at their position.

All Star Game Note:

It was a wonderful game and experience I will never forget. Even though my grandson Cody French played for the West team and they lost the game in the last 26 seconds it was one of my proudest moments to watch him play. Cody said he had the time of his life the whole week at MSU, met the greatest coaches and kids and felt it was one of the biggest honors in his life. Thanks to all who make this All Star game possible and for recognizing the great kids and the work they have done to get this far. Their dedication and sportsmanship and work ethics have paid off for them and it truly showed.

Thanks again, Nancy Letourneau

2010 Game Decided for East with 14 Seconds on Clock

by Gus Kapolka, All Star Chair

The 30th installment of the MHSFCA All Star Game saw the East defeat the West 20-16 in an exciting game that kept fans in their seats right up to the final seconds when the East was able to capitalize on a turnover to snatch the victory.

The 30th MHSFCA All Star Game was an enjoyable experience for the coaches, players, and support staff who spent a week preparing.

I would like to congratulate both teams for a well played game, and congratulate the East All Stars for their victory. Both coaching staffs did a tremendous job preparing throughout the year for the game, and their conduct during the week was exemplary.

I would also like to thank all MHSFCA regional directors, and All Star Committee members who donated their time to make the game possible: Troy Nezki, Tim Baker, Larry Rueger, Tim Parker, Fred Davis, Dick McGuines, Keith Froleich, Jim Buttson, Craig Healy, Loren Wiley and Tom Barbieri. I would also like to thank MSU head coach Mark Dantonio, and High School Liaison Dino Folino for their hospitality.
